MDT Rifle Stock for ACC/ESS Chassis, XTN Interface Safety Instructions

Introduction

Thank you for choosing the MDT Rifle Stock for ACC/ESS Chassis, XTN interface. This product is designed to enhance your shooting experience by providing adjustable comfort and performance. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the rifle stock is compatible with your specific rifle chassis before installation.
- Inspect the rifle stock for any signs of damage or wear before each use.
- Keep the rifle stock and all accessories out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection, when using firearms.

Specific Safety Precautions for Use

- Ensure that all adjustments to the cheek riser and buttpad are secure before use to prevent accidental movement during shooting.
- Do not exceed the manufacturer's recommended weight limits when attaching accessories to the rifle stock.
- Be aware of your surroundings and ensure that your shooting area is safe and free of obstructions.
- Avoid using the rifle stock in extreme weather conditions that could compromise its performance or safety.
- If you experience any malfunction or unusual behavior while using the rifle stock, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of the Rifle Stock:

- Ensure that you have the proper tools for installation, including any necessary screws or fasteners.
- Align the MDT Rifle Stock with the ACC or ESS chassis, ensuring the XTN interface is properly engaged.
- Secure the stock using the provided screws, tightening them to the manufacturer's specifications.
- Check for stability and ensure the stock is firmly attached before proceeding.

2. Adjusting the Cheek Riser and Buttpad:

- To adjust the cheek riser:
 - Loosen the adjustment knobs located on the sides of the riser.
 - Move the riser to your desired height and tighten the knobs securely.
- To adjust the buttpad:
 - Loosen the adjustment mechanism at the rear of the stock.
 - Slide the buttpad to the desired position and tighten the mechanism.

3. Usage:

- Before shooting, ensure that the rifle is unloaded and the safety is engaged.
- Position yourself comfortably, ensuring that the rifle stock fits securely against your shoulder.
- Take aim and be mindful of your grip and stance to maintain control of the rifle.

Disposal Instructions

- Dispose of the MDT Rifle Stock responsibly in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling materials where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT Rifle Stock, please refer to the manufacturer's website or contact their customer support team for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the MDT Rifle Stock!
