Get more adaptability for storage, transport and buttstock choice. The MDT Folding Stock adapters are compatible with most bolt-action chassis rifles that have an AR-style interface. Available in 1-way or a 2-way locking configuration. The 1-way lock maintains solid, straight-line integrity when shooting while the 2-way lock provides the additional function of holding the stock securely in the folded position.

# MDT Buttstock Adapters and Parts Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Folding Stock Adapter. This product is designed to enhance the adaptability of your boltaction chassis rifle by allowing for easy storage, transport, and customization of your buttstock. To ensure safe and effective use of this product, please read and follow the safety guidelines outlined in this instruction guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always check the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- When using the product, ensure that all components are properly secured before handling or shooting.
- Be aware of your surroundings and use the product in a safe environment.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the MDT Folding Stock Adapter is compatible with your specific boltaction chassis rifle that has an ARstyle interface.
- **Locking Mechanism:** Familiarize yourself with the locking mechanism (1way or 2way) before use. Ensure that it is securely locked before shooting.
- **Shooting Position:** When using the 1way locking configuration, maintain a straightline integrity to ensure accuracy and safety while shooting.
- **Folded Position:** If using the 2way locking configuration, ensure that the stock is securely held in the folded position when not in use to prevent accidental deployment.
- **Transport:** When transporting your rifle with the adapter attached, ensure that the stock is in the appropriate position (folded or extended) and secured to prevent movement.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by ensuring that your rifle is unloaded and pointed in a safe direction.
- Remove any existing buttstock or adapter from your rifle.
- Align the MDT Folding Stock Adapter with the ARstyle interface on your rifle.
- Secure the adapter using the provided screws or locking mechanism, ensuring a tight fit.
- Check that the adapter is firmly attached and does not move.

### 2. Usage:

- To extend the stock, release the locking mechanism (if applicable) and pull the stock to the desired length.
- To fold the stock, ensure that the locking mechanism is disengaged and push the stock into the folded position.
- Always verify that the locking mechanism is engaged before shooting to ensure the stock remains in the desired position.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, ensure that it is disposed of in a way that prevents harm to the environment or injury to individuals.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Folding Stock Adapter, please refer to the manufacturer's website or contact your local dealer for assistance. Always keep the product manual for future reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
