

# High Scope Base for ESS Chassis System Ruger American SA Black

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

# MDT High Scope Base for ESS Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT High Scope Base for the ESS Chassis System. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for any signs of damage or wear before use.
- Do not modify the product in any way that may compromise its safety.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to equipment failure or injury.
- Using the product with incompatible components can result in malfunction.

### • Instructions for Avoiding Hazards:

- Always ensure proper alignment and secure mounting of the scope base to the chassis system.
- Verify that the recoil lug is properly engaged to prevent movement during use.
- Regularly check the tightness of the mounting screws and components.

### • Age or Audience Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that inexperienced users are supervised during installation and use.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Place the MDT High Scope Base on the ESS chassis system, ensuring it aligns with the mounting points.
- Secure the base using the provided screws, tightening them to the manufacturer's recommended torque specifications.
- Ensure that the recoil lug is properly seated in the designated area.

### 2. Usage Instructions:

- Once installed, attach your scope to the Picatinny rail on the scope base.
- Adjust the scope as needed for your specific shooting requirements.
- Regularly inspect the scope base and mounting hardware for signs of wear or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Do not dispose of the product in regular household waste.
- If applicable, remove any batteries or electronic components before disposal.

## Contact Information for Further Support

For questions or concerns regarding the MDT High Scope Base for ESS Chassis System, please reach out to the designated contact point available in your region. Ensure you have your product details ready for a more efficient response.

By following these safety instructions, you can ensure the safe and effective use of your MDT High Scope Base for the ESS Chassis System. Thank you for prioritizing safety!
