

# CKYE-POD Gen2 Bipods - MDT CKYE-POD Gen2 Bipod, Arca RH - Triple Pull

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

If you're a hunter or a match shooter looking for a game-changing piece of gear, look no further than the MDT Bipod. Quality craftsmanship and fast, simple, one-handed adjustments make this bipod the ultimate platform for stability and versatility. This bipod is a true work of art, featuring 3 locking positions from front to back - stowed, angled and down. MDT CKYE-POD is in a league of its own with quick single-handed adjustable height, allowing you to achieve from 4.5" to 15.5", paired with 170 degrees of cant, 360 degrees of pan capability (sling swivel stud version does not pan), and an integrated barricade stop. Mix and match the independent leg heights and angles to create the perfect shooting position, every time.

# MDT CKYEPOD Gen2 Bipod Safety Instruction Guide

## Introduction

Thank you for choosing the MDT CKYEPOD Gen2 Bipod, a versatile and highquality accessory for hunters and match shooters. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your bipod in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the bipod is used only for its intended purpose.
- Always inspect the bipod before use to check for any signs of damage or wear.
- Keep the bipod away from children and vulnerable individuals to prevent accidents.
- Do not exceed the weight limit recommended by the manufacturer.
- Use the bipod on stable and level surfaces to ensure maximum stability during use.
- Avoid using the bipod in adverse weather conditions that may affect its performance.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Locking Mechanism:** Ensure that the locking positions (stowed, angled, and down) are securely engaged before use.
- **Height Adjustment:** Adjust the height carefully and ensure it is locked in place to prevent accidental collapse.
- **Cant and Pan Features:** Be cautious when utilizing the cant and pan features to maintain control of your firearm.
- **Barricade Stop:** Use the integrated barricade stop correctly to prevent slippage during shooting.
- **Independent Leg Heights:** When adjusting the independent leg heights, ensure both legs are stable and locked before taking your shot.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the bipod from its packaging and inspect all components for damage.

2. **Installation:**

- Attach the bipod to your firearm using the appropriate mounting system.
- Ensure that the bipod is securely fastened according to the manufacturer's instructions.

3. **Adjusting Height:**

- To adjust the height, unlock the height adjustment lever and pull the leg to the desired height.
- Lock the lever back into place to secure the height setting.

4. **Setting the Angle:**

- To set the angle, unlock the angle adjustment and position the bipod to your desired angle.
- Lock the angle adjustment back into place.

5. **Using Cant and Pan:**

- For cant, gently tilt the bipod to the left or right and ensure it is locked before use.
- For pan, rotate the bipod while ensuring the firearm remains stable.

## 6. **Using the Barricade Stop:**

- Position the bipod against a barricade or support and utilize the barricade stop to stabilize your firearm.

## 7. **PostUse Care:**

- After use, clean the bipod to remove any dirt or debris.
- Store the bipod in a dry, safe place away from children.

## **Disposal Instructions**

- When disposing of the bipod, please follow local regulations regarding the disposal of metal products.
- Do not dispose of the bipod in household waste. Instead, consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details at hand when reaching out for assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your MDT CKYEPOD Gen2 Bipod. Enjoy your shooting experience!
