# MDT Night Vision Hood Safety Instructions

## Introduction

Thank you for choosing the MDT Night Vision Hood (LSSXL Gen2 BLK). This product is designed to enable the safe and effective mounting of night vision devices onto specific chassis. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the MDT Night Vision Hood is used only for its intended purpose, which is to mount NV devices securely.
- Regularly inspect the hood for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Always follow the manufacturer's instructions for installation and usage to minimize risks.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls using the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Material Safety:** The MDT Night Vision Hood is made of aluminum. Ensure that the product is not exposed to extreme temperatures that may affect its integrity.
- **Color Safety:** The black color may absorb heat; avoid touching the hood when it has been exposed to direct sunlight for extended periods.
- **Compatibility:** Confirm that the hood is compatible with your specific NV device and chassis model before installation.
- **Secure Mounting:** Always ensure that the NV device is securely mounted to the hood before use to prevent it from falling or becoming dislodged.
- **Avoid Modifications:** Do not modify the hood or use it in a manner not specified by the manufacturer, as this may lead to safety hazards.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the MDT Night Vision Hood from its packaging.
- Inspect the hood for any visible damage or defects.
- Align the hood with the mounting points on your chassis.
- Securely fasten the hood using the appropriate hardware as specified in the product manual.
- Doublecheck that all connections are tight and that the hood is firmly attached.

### 2. Usage:

- Once installed, attach your NV device to the hood according to the manufacturer's instructions.
- Ensure that the NV device is securely fastened and does not wobble or shift.
- When using the NV device, maintain awareness of your surroundings to avoid accidents.
- After use, detach the NV device and store both the device and the hood in a safe, dry location.

## Disposal Instructions

- Dispose of the MDT Night Vision Hood in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling the aluminum material where facilities are

available.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Night Vision Hood, please refer to the manufacturer's website or contact their customer support. Ensure you have your product details ready for reference.

By following these safety instructions, you can ensure a safe and effective experience with your MDT Night Vision Hood. Thank you for your attention to these guidelines.
