# MDT Night Vision Hood Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Night Vision Hood. This product is designed to provide a secure and reliable mounting solution for night vision devices on specific chassis. To ensure your safety and the proper use of this product, please carefully read and follow the guidelines outlined in this instruction guide.

## General Safety Guidelines

- Always inspect the MDT Night Vision Hood before use for any signs of damage or wear.
- Ensure that the product is compatible with your specific chassis before installation.
- Use only the recommended night vision devices with this product.
- Keep this product away from children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to device malfunction or failure.
- Use of incompatible night vision devices can cause damage to the product or the device itself.
- Exposure to extreme temperatures or harsh environments may affect the product's integrity.

### • Avoiding Hazards:

- Follow all installation instructions carefully to ensure proper setup.
- Do not exceed the weight limit specified by the manufacturer for the night vision device.
- Store the product in a cool, dry place when not in use.

### • AudienceSpecific Warnings:

- This product is not intended for use by children. Adult supervision is required during installation and usage.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Gather all necessary tools and components before beginning installation.
- Ensure that the mounting surface is clean and free from debris.
- Align the MDT Night Vision Hood with the mounting points on your chassis.
- Secure the hood using the provided fasteners, ensuring a tight fit.
- Doublecheck that all connections are secure before attaching the night vision device.

### 2. Usage Instructions:

- Before using the night vision device, ensure that it is properly mounted to the MDT Night Vision Hood.
- Follow the manufacturer's instructions for the night vision device regarding operation.
- Avoid sudden movements while using the device to maintain stability and accuracy.
- After use, remove the night vision device and store it safely to prevent damage.

## **Disposal Instructions**

- Dispose of the MDT Night Vision Hood in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods for aluminum materials.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the MDT Night Vision Hood, please consult the manufacturer's website or customer service for assistance. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your MDT Night Vision Hood responsibly!
