MDT Night Vision Hood Safety Instructions

Introduction

Thank you for purchasing the MDT Night Vision Hood for LSS, designed specifically for standard contour barrels. This product allows for the safe and efficient mounting of night vision devices on compatible chassis. Please read this safety instruction guide carefully to ensure proper usage and compliance with safety regulations.

General Safety Guidelines

- Always ensure that the MDT Night Vision Hood is installed correctly before use.
- Regularly inspect the hood for any signs of damage or wear.
- Only use the hood with compatible devices as specified by the manufacturer.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer to avoid potential accidents.
- Avoid using the hood in extreme weather conditions that may impair its functionality.
- Ensure that all mounting hardware is secure before using the night vision device.
- Do not modify or alter the hood in any way, as this may compromise safety.
- Always follow the manufacturer's guidelines for the night vision device being used.

Instructions for Installation and Usage

1. Installation Steps

- Gather all necessary tools and components.
- Ensure the surface where the hood will be mounted is clean and free from debris.
- Align the MDT Night Vision Hood with the mounting points on your chassis.
- Securely fasten the hood using the provided hardware, ensuring it is tight but not overtightened.
- Doublecheck all connections for stability.

2. Usage Steps

- Attach your night vision device to the MDT Night Vision Hood according to the device's manual.
- Make sure the device is securely mounted before use.
- Perform a functionality check of the night vision device before heading into the field.
- Always use the night vision device in accordance with its operational guidelines.

Disposal Instructions

- Dispose of the MDT Night Vision Hood in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns related to the MDT Night Vision Hood, please refer to the manufacturer's contact information provided with your product packaging. Ensure that you have your product details at hand when seeking assistance.

Thank you for your attention to these safety instructions. Proper use and maintenance of the MDT Night Vision Hood will help ensure a safe and enjoyable experience.
