MDT Night Vision Hood Safety Instructions

Introduction

Thank you for choosing the MDT Night Vision Hood Oversize for LSS/LSSXL. This product is designed to securely mount night vision devices onto specific chassis, enhancing your shooting experience. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the MDT Night Vision Hood for any signs of damage or wear before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for installation and usage.
- In case of any malfunction or safety concern, cease use immediately and contact support.

Specific Safety Precautions for Use

- Only use the MDT Night Vision Hood with compatible chassis.
- Do not attempt to modify or alter the product in any way.
- Use appropriate protective gear when handling the night vision devices attached to the hood.
- Ensure that the mounting area is clean and free of debris before installation.
- Avoid exposing the product to extreme temperatures or moisture, as this may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a drill and tap, as required for installation.
- Ensure the working area is welllit and free from distractions.

2. Installation:

- Identify the mounting points on your chassis where the MDT Night Vision Hood will be installed.
- Carefully drill and tap the required holes according to the manufacturer's guidelines.
- Align the hood with the mounting points and secure it using the provided fasteners.
- Doublecheck that all screws are tightened properly to ensure stability.

3. Usage:

- Attach your night vision device securely to the hood following the manufacturer's instructions for the device.
- Before using the setup, conduct a final check to ensure everything is securely fastened.
- Use the night vision device in accordance with its operational guidelines.

4. PostUse Care:

- After use, detach the night vision device and clean the hood as needed.
- Store the MDT Night Vision Hood in a dry, cool place away from direct sunlight.

Disposal Instructions

- Dispose of the MDT Night Vision Hood in accordance with local regulations for electronic waste.

- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, ensure it is recycled or disposed of safely to minimize environmental impact.

Contact Information for Further Support

For any inquiries, concerns, or reports regarding safety issues, please reach out to the appropriate EUbased contact point. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Night Vision Hood. Thank you for your attention to these important guidelines.
