

# Carbine to Fixed to Carbine Stock Adapters - MDT Accessories - Carbine to Fixed Stock Adapter - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Adapter](#)

Connect our MDT Skeleton Rifle Stock to an MDT chassis that is equipped for a carbine stock. The Carbine to Fixed Stock Adapter installs in seconds and increased the modularity of our MDT rifle Chassis. Will increase the LOP (Length of Pull) by 0.75", if LOP becomes an issue consider the short version of our Skeleton Rifle Stock. Can also be used on the Savage Stealth which is a chassis developed on an MDT platform.

# MDT Carbine to Fixed Stock Adapter Safety Instructions

## Introduction

Thank you for purchasing the MDT Carbine to Fixed Stock Adapter. This product is designed to enhance the modularity of your MDT rifle chassis. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the MDT Carbine to Fixed Stock Adapter in accordance with the manufacturer's instructions.
- Inspect the product before each use to ensure it is free from damage.
- Do not use the adapter if it appears to be damaged or malfunctioning.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that all components are securely attached before use.
- Report any unsafe conditions or product-related accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to instability or accidents during use.
  - Increased Length of Pull (LOP) may not be suitable for all users; assess compatibility before use.
- **Precautions:**
  - Confirm that the adapter is compatible with your specific MDT chassis.
  - Do not exceed the recommended weight limit for your chassis and stock combination.
  - Always wear appropriate safety gear when using firearms.
  - Ensure that the firearm is unloaded when installing or adjusting the stock adapter.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Remove the existing carbine stock from the MDT chassis.
- Align the MDT Carbine to Fixed Stock Adapter with the mounting points on the chassis.
- Securely attach the adapter using the provided hardware, ensuring all screws are tightened properly.
- Check for stability and ensure that the adapter is firmly in place before proceeding.

### 2. Usage:

- Adjust your position to accommodate the new Length of Pull, which will be increased by 0.75 inches.
- If the increased LOP is uncomfortable, consider using the short version of the MDT Skeleton Rifle Stock.
- Regularly check the adapter for wear and tear, and ensure all connections remain secure during use.

## Disposal Instructions

- Dispose of the MDT Carbine to Fixed Stock Adapter in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling

facility if available.

- Ensure that all components are disposed of responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Carbine to Fixed Stock Adapter, please refer to the manufacturer's website or contact their customer support team. Ensure that you have the product details and any relevant information ready for assistance.

Thank you for prioritizing safety and compliance while using the MDT Carbine to Fixed Stock Adapter. Enjoy your enhanced shooting experience!
