# MDT Accessory Ring Caps Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Accessory Ring Caps. These caps are designed to enhance the functionality of your scope mount by allowing the attachment of rails, RDS plates, and more. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Regularly inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions carefully to avoid accidents or injuries.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- **Material Safety:** The MDT Accessory Ring Caps are made of aluminum. Avoid exposure to extreme temperatures and corrosive substances to prevent degradation.
- **Installation Safety:** Ensure that the scope mount is securely attached before using the scope. Improper installation may lead to equipment failure.
- **Compatibility Check:** Confirm that the accessory caps are compatible with your specific scope mount model (MDT OnePiece Scope Mount and MDT Elite Scope Rings).
- **Mounting Positions:** Use the designated mounting positions (10:30, 12, and 1:30) as indicated to ensure stability and safety during use.
- **Weight Limitations:** Be aware of the weight limits of your scope mount and do not exceed them to prevent damage or accidents.

## Instructions for Installation and Usage

1. **Preparation:** Before installation, gather all necessary tools and ensure you have a clean and safe workspace.
2. **Installation Steps:**
  - Remove the scope from the mount if it is already installed.
  - Align the MDT Accessory Ring Caps with the designated mounting positions on the scope mount.
  - Securely attach the caps using the appropriate screws, ensuring they are tightened to prevent loosening during use.
  - Reinstall the scope onto the mount, ensuring it is properly aligned and secured.
3. **Usage Instructions:**
  - Once installed, you may attach additional accessories such as rails or RDS plates as needed.
  - Regularly check the tightness of the caps and the overall stability of the scope during use.
  - If you notice any instability or looseness, stop using the product immediately and perform a thorough inspection.

## Disposal Instructions

- Dispose of the MDT Accessory Ring Caps in accordance with local regulations for aluminum products.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Accessory Ring Caps, please reach out to the designated contact point provided with your purchase. Ensure you have your product details ready for a more efficient response.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your MDT Accessory Ring Caps. Thank you for your attention to safety and compliance.
