

Elite Muzzle Brakes - MDT Accessories - Muzzle Brake - Elite - 6.5CM / .308WIN M18x1.0 - BLK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The MDT Elite Muzzle Brake has 35 degree angled baffles for increased recoil reduction while keeping a more streamlined design. By reducing recoil up to 66% the follow-up shot speed and accuracy is greatly improved while a straight cut through the rear baffle reduces concussive forces. MDT Muzzle Brakes are constructed out of alloy steel with a nitride finish and are provided with an overlapping lock nut. The nut offers some tuneability, as well as the ability to index the brake to make it straight. Perfect for recoil-sensitive shooters. Must be used on threaded barrels.

MDT Elite Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the MDT Elite Muzzle Brake. This guide provides important safety information and instructions for the proper use and installation of your muzzle brake. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- **Product Safety:** Ensure that you use this product according to the instructions provided to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product by checking official channels.
- **Online Shopping:** If purchased online, confirm that the seller complies with safety standards.
- **Special Consumer Focus:** This product is intended for adult use only. Keep out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer or retailer from whom you purchased this product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Threaded Barrels Only:** This muzzle brake must be used on threaded barrels. Ensure compatibility before installation.
- **Recoil Sensitivity:** Designed for recoilsensitive shooters. Always practice safe shooting techniques.
- **Proper Installation:** Follow the installation instructions carefully to avoid accidents.
- **Inspection:** Regularly inspect the muzzle brake for any signs of wear or damage.
- **Use of Protective Gear:** Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a torque wrench and appropriate thread locker.

2. Installation

- Clean the threaded area of the barrel to remove any debris or old thread locker.
- Apply a small amount of thread locker to the muzzle brake threads.
- Screw the muzzle brake onto the threaded barrel, ensuring it is aligned correctly.
- Use a torque wrench to tighten the brake to the manufacturer's recommended specifications.
- Install the overlapping lock nut and tighten it securely to index the brake properly.

3. Usage

- Always check that the muzzle brake is securely attached before firing.
- Follow all firearm safety protocols when using your firearm equipped with the muzzle brake.
- Monitor performance and recoil reduction during use, adjusting as necessary.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- Do not dispose of in regular household waste.

- Consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the MDT Elite Muzzle Brake, please contact the retailer or manufacturer from whom you purchased the product. They will provide assistance and any necessary information regarding safety, usage, and product support.

By following these guidelines, you will ensure a safe and enjoyable experience with your MDT Elite Muzzle Brake. Thank you for prioritizing safety and responsible use.
