# FALKE S Product Safety Instruction Guide

## Introduction

Thank you for choosing the FALKE S Red Dot Sight. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before using the sight.

## General Safety Guidelines

- Always use the product as intended and follow the manufacturer's instructions.
- Ensure that the product is securely mounted before use to avoid accidents.
- Regularly inspect the sight for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.
- Report any unsafe product experiences to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Magnification and Eye Relief:** The FALKE S has a magnification of 1x and an infinite eye relief. Ensure proper alignment to avoid strain on your eyes.
- **Reticule Visibility:** The unit spot clear visible reticle is designed for optimal visibility. Avoid using in conditions where visibility is compromised.
- **Adjustment Range:** The sight allows for an adjustment range of 80 MOA. Make adjustments carefully and ensure they are secure before use.
- **Waterproof and Fogproof Features:** The product is waterproof (10M/1H) and nitrogenfilled. Avoid exposing the sight to extreme conditions that exceed these specifications.
- **Battery Safety:** Use only the specified CR2032 battery. Do not attempt to open or modify the battery compartment.
- **Mounting and Accessories:** Use the provided low profile high QD mount and accessories as instructed. Ensure all components are securely attached before use.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting location on your firearm.
- Attach the low profile high QD mount securely to the firearm.
- Carefully place the FALKE S sight onto the mount and tighten the screws to ensure stability.
- Check that the sight is level and properly aligned with the firearm.

### 2. Battery Installation:

- Use a CR2032 battery. Ensure the battery is installed with the correct polarity.
- Close the battery compartment securely after installation.

### 3. Adjustment and Calibration:

- Use the adjustment controls to zero the sight according to your shooting requirements.
- Test the sight at a safe shooting range to confirm accuracy.

### 4. Usage:

- Always wear appropriate eye protection when using firearms.

- Maintain a safe shooting environment and ensure that you are aware of your surroundings.
- Regularly check the sight during use to ensure it remains secure and functional.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight or batteries in regular household waste.
- Check for local electronic waste recycling programs for proper disposal methods.

## Contact Information for Further Support

For any inquiries or support regarding the FALKE S Red Dot Sight, please refer to the manufacturer's official website or customer service channels. Ensure that you have the product details and any relevant information ready when seeking assistance.

Thank you for your attention to these safety guidelines. Enjoy using your FALKE S Red Dot Sight responsibly and safely!
