

Cleaning Rod for Handguns, Power-Line Profi, Stainless Steel - for Cal. 6.5mm-.50

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The cleaning rods are made of stainless steel (Power-Line Profi) or a lighter aluminum alloy (Fun-Line Sport) with a non-slip and ergonomic polyamide handle. This contains two maintenance-free and smooth-running ball bearings, so that the VFG barrel cleaner screwed onto the adapter can follow the movements during the cleaning process.

Depending on the application, we recommend the 1- or 3-part cleaning rod. The advantage of the one-piece design is the stability - the three-piece impresses with its compact design, e.g. on the go. The three-part design can be used universally for long and short weapons and therefore offers an additional benefit.

Safety Instructions for CLEANING ROD FOR HANDGUNS, POWERLINE PROFI, STAINLESS STEEL FOR CAL. 6.5MM.50

Introduction

Thank you for choosing the CLEANING ROD FOR HANDGUNS, POWERLINE PROFI. This cleaning rod is designed to assist you in maintaining your firearms safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose, which is cleaning firearms.
- Always follow the manufacturer's instructions for cleaning your handgun.
- Keep the cleaning rod out of reach of children and unauthorized users.
- Inspect the cleaning rod before each use. Do not use it if it is damaged or worn.
- Use the cleaning rod in a wellventilated area to avoid inhaling any harmful chemicals from cleaning solutions.
- Store the cleaning rod in a safe and dry place after use.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before using the cleaning rod.
- Avoid using excessive force while cleaning to prevent damage to the firearm or the cleaning rod.
- Do not use the cleaning rod with incompatible cleaning materials or solvents.
- Be cautious of sharp edges or points on the cleaning rod and attachments.
- If you experience any discomfort or injury while using the cleaning rod, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials and the cleaning rod.

2. Attaching the Cleaning Rod:

- Choose the appropriate adapter (M5 external and 1/8" internal thread) for your cleaning needs.
- Attach the VFG barrel cleaner to the adapter securely.

3. Using the Cleaning Rod:

- Insert the cleaning rod into the barrel of the handgun gently.
- Move the cleaning rod back and forth in a smooth motion to clean the barrel.
- Avoid twisting or excessive bending of the cleaning rod during use.

4. PostCleaning:

- After cleaning, remove the cleaning rod and any attachments carefully.
- Wipe down the cleaning rod with a soft cloth to remove any cleaning solution residue.
- Store the cleaning rod properly to prevent damage.

Disposal Instructions

- Dispose of any cleaning materials and chemicals according to local regulations.
- If the cleaning rod is damaged beyond repair, dispose of it in accordance with local waste management guidelines to minimize environmental impact.

Contact Information for Further Support

For questions or concerns regarding the CLEANING ROD FOR HANDGUNS, POWERLINE PROFI, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your CLEANING ROD FOR HANDGUNS, POWERLINE PROFI. Always prioritize safety and responsible use when handling firearms and cleaning equipment. Thank you for your attention to these important guidelines.
