# Safety Instruction Guide for ADAPTER (M5 EXTERNAL / 1/8" INTERNAL THREAD)

## Introduction

Thank you for choosing the ADAPTER (M5 external / 1/8" internal thread) made from aluminum. This product is designed for use with all VFG cleaning rods and compatible with cleaning rods featuring European and American threads. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Follow all instructions provided in this guide to ensure safe use of the ADAPTER.
- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to relevant authorities.
- Check for any recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the adapter is securely attached to the cleaning rod before use.
- Do not exceed the recommended torque when attaching the adapter to avoid damage.
- Avoid using the adapter in extreme temperatures or in wet conditions.
- Do not use the adapter for any purpose other than cleaning rods.
- If you experience any issues during use, stop immediately and consult the manufacturer.

## Instructions for Installation and Usage

### Installation

- Check Compatibility:** Ensure that the adapter is compatible with your cleaning rod.
- Clean Threads:** Before installation, clean the threads on both the adapter and the cleaning rod.
- Attach Adapter:**
  - Align the M5 external thread of the adapter with the cleaning rod's internal thread.
  - Gently twist the adapter clockwise until it is securely fastened.
- Check Security:** Ensure that the adapter is firmly attached by gently pulling on it.

### Usage

- Use the cleaning rod with the adapter as per the manufacturer's instructions.
- Do not apply excessive force while using the cleaning rod to prevent damage.
- After use, detach the adapter from the cleaning rod and clean it as necessary.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Recycle the aluminum adapter where possible.

## Contact Information for Further Support

For any inquiries regarding safety or use of the ADAPTER, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe experience with the ADAPTER (M5 external / 1/8" internal thread).
