Safety Instruction Guide for ADAPTER (M5 EXTERNAL / 1/8" INTERNAL THREAD) FOR ALL CAL.

Introduction

Thank you for choosing the ADAPTER (M5 external / 1/8" internal thread) made from brass, designed for all calibers. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the adapter.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of potential hazards associated with improper use.
- Always check for product recalls or safety alerts on the EU Safety Gate platform.
- If you encounter any issues with the product, report them to the appropriate authorities.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Use the adapter only with compatible cleaning rods and equipment.
- Inspect the adapter for any visible damage or defects before each use.
- Do not exceed the recommended torque specifications when attaching the adapter.
- Avoid using the adapter in wet or humid conditions to prevent corrosion.
- Store the adapter in a dry place when not in use to maintain its integrity.

Instructions for Installation and Usage

1. Installation

- Ensure that the cleaning rod is clean and free of debris.
- Align the M5 external thread of the adapter with the corresponding thread of the cleaning rod.
- Gently screw the adapter onto the cleaning rod by hand until snug.
- If necessary, use a wrench to tighten the adapter, but do not overtighten.

2. Usage

- Once installed, use the cleaning rod as intended for cleaning firearms.
- Monitor the adapter during use for any signs of wear or damage.
- If the adapter becomes loose during use, stop immediately and retighten or replace.

3. PostUsage Care

- After use, remove the adapter from the cleaning rod.
- Clean the adapter with a soft cloth to remove any residue.
- Store the adapter in a protective case or pouch to prevent damage.

Disposal Instructions

- Dispose of the adapter in accordance with local regulations for metal products.
- Do not dispose of the adapter in regular household waste.
- Consider recycling the adapter if facilities are available in your area.

Contact Information for Further Support

For any inquiries or additional support regarding the ADAPTER, please refer to the contact information provided by the manufacturer or your point of purchase. Always ensure you have the product details at hand when seeking assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priority.
