

Quick cleaning-Plug, 80 pcs. - for Cal. .20

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

VFG quick cleaning plugs are compact and available in all common caliber sizes. They have a diameter that fits snugly into the barrel of your weapon. If the shot is now triggered, the overpressure in the barrel and the rapid acceleration compresses the length of the felt. The felt plug presses into the cables and follows the twist. Every part of the barrel is reliably cleaned. In order to prevent fiber particles from remaining in the barrel, we generally recommend inserting a pointed diabolo behind the felt element in the barrel and shooting both through together.

Safety Instruction Guide for QUICK CLEANINGPLUG, 80 PCS. FOR CAL. .20

Introduction

Thank you for choosing the QUICK CLEANINGPLUG, 80 PCS. FOR CAL. .20. This product is designed to help you maintain your firearm effectively. To ensure safe and proper use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that you handle all cleaning tools and materials with care to prevent accidents.
- Always use cleaning products in a wellventilated area to avoid inhaling any fumes.
- Keep cleaning materials out of reach of children and pets to prevent accidental ingestion or misuse.
- Regularly check for any signs of wear or damage on your cleaning tools before use.
- If you experience any adverse reactions while using this product, discontinue use immediately and seek medical advice.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before using the QUICK CLEANINGPLUG.
- Do not use the cleaning plugs if the barrel is obstructed or damaged.
- Use the cleaning plugs only in the designated caliber (.20) to avoid malfunction or damage.
- Avoid using excessive force when inserting or removing the cleaning plugs to prevent damage to the barrel or the plugs.
- Do not attempt to modify or alter the cleaning plugs in any way.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the QUICK CLEANINGPLUG and a pointed diabolo if desired.

2. Inserting the Cleaning Plug:

- Take one cleaning plug from the package.
- Insert the cleaning plug snugly into the barrel of your firearm.
- If using a pointed diabolo, place it behind the felt element in the barrel.

3. Firing:

- Once the cleaning plug is securely in place, you may proceed to fire the firearm.
- The overpressure and rapid acceleration will compress the felt, ensuring effective cleaning of the barrel.

4. PostUse:

- After firing, remove any remnants of the cleaning plug from the barrel.
- Inspect the barrel for any remaining fiber particles and clean as necessary.

Disposal Instructions

- Dispose of used cleaning plugs in accordance with local waste disposal regulations.
- Do not dispose of cleaning plugs in water bodies or public areas.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the use of the QUICK CLEANINGPLUG, please refer to the contact information provided on the product packaging or your retailer's website.

Important Note

This product complies with the EU General Product Safety Regulation (GPSR). If you encounter any unsafe products or have concerns about the safety of this item, please report it to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Thank you for your attention to these safety guidelines. Enjoy safe and effective cleaning of your firearm!
