

# **BARREL CLEANER INTENSIVE - FOR CAL. 7MM - Barrel Cleaner intensive, 500 pcs. - for Cal. 7mm**

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

# Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. 7MM

## Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE for Caliber 7mm. This product is designed to provide effective cleaning for barrels and cartridge chambers. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure safe handling and use of the product according to the instructions provided.
- Be aware that improper use of the barrel cleaner can lead to potential hazards, including damage to the barrel or injury.
- Always keep the product out of reach of children and vulnerable individuals.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.
- Regularly check for updates regarding product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the barrel cleaner, inspect it for any damage or defects.
- Do not use the barrel cleaner if it shows signs of wear or damage.
- Use the barrel cleaner only for its intended purpose—cleaning barrels and cartridge chambers.
- Avoid using the barrel cleaner with other abrasive materials that could cause damage.
- Always follow the manufacturer's recommendations for use to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and in a safe condition before cleaning.
- Gather all necessary cleaning tools and materials, including the barrel cleaner.

### 2. Using the Barrel Cleaner

- Insert the barrel cleaner INTENSIVE into the barrel or cartridge chamber.
- Move the cleaner back and forth gently to allow it to absorb dirt and debris effectively.
- Avoid excessive force that could damage the barrel or the cleaner.

### 3. PostCleaning

- After cleaning, remove the barrel cleaner and inspect the barrel for any remaining residues.
- Dispose of used barrel cleaners responsibly according to local waste management regulations.

## Disposal Instructions

- Dispose of used barrel cleaners in accordance with local regulations.
- Do not dispose of barrel cleaners in fire, as they may release harmful substances.
- Ensure that barrel cleaners are kept out of reach of children during disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or product use, please refer to the appropriate contact channels provided by the manufacturer or retailer.

By following these guidelines, you can ensure the safe and effective use of the BARREL CLEANER INTENSIVE for Caliber 7mm. Thank you for prioritizing safety and responsible use.
