

# ESS Chassis System Kit Howa 1500 SA RH Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Howa 1500 Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Howa 1500 rifle. This product is designed to enhance your shooting experience with improved ergonomics and features. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and ammunition separately and securely.
- Use appropriate eye and ear protection when handling or shooting your firearm.
- Ensure that the firearm is pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before shooting.
- Regularly inspect your MDT ESS Chassis System Kit for any signs of wear or damage.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction or injury.
  - Adjustments to the buttstock must be performed carefully to avoid pinching or injury.
- **Avoiding Hazards:**
  - Ensure all components are securely fastened before use.
  - Do not exceed the recommended adjustments for the buttstock and cheek rest.
  - Use only compatible magazines to prevent jamming or misfires.
- **Age Specific Warnings:**
  - This product is intended for use by adults. Keep out of reach of children.
  - If a minor is using this product, adult supervision is required at all times.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack the MDT ESS Chassis System Kit and ensure all components are included.
- Follow the manufacturer's guidelines for attaching the chassis to your Howa 1500 rifle.
- Ensure that the Vblock bedding system is properly aligned to secure the rifle action.
- Attach the forend and buttstock according to the provided instructions.
- Check that all screws and fittings are tightened securely before use.

### 2. Usage:

- Adjust the buttstock for length of pull using the thumb wheels.
- Adjust the cheek rest height to ensure a comfortable and secure cheek weld.
- Ensure the magazine is inserted correctly and the magazine latch is functioning properly.
- Use the barricade stop feature to stabilize the rifle during shooting.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of the chassis system, follow your local waste management guidelines for metal and

plastic materials.

- Ensure that any firearm components are disposed of safely and securely to prevent unauthorized use.

## Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's official website for support and additional resources.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT ESS Chassis System Kit for your Howa 1500!
