

ESS Chassis System Kit Howa 1500 SA RH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Howa 1500 Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Howa 1500 rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your new product. Please read this manual carefully before installation and use to ensure your safety and the proper functioning of the kit.

General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that you are in a safe environment when using your rifle.
- Keep the rifle pointed in a safe direction at all times.
- Store the rifle and chassis system in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing the chassis system.
- Use only compatible magazines as specified in the product details.
- Do not exceed the manufacturer's specifications for adjustments to the buttstock and cheek rest.
- Be cautious when adjusting the buttstock and cheek rest to avoid pinching fingers.
- Always ensure that the magazine is securely inserted before handling the rifle.
- Avoid placing pressure on the magazine when using the barricade stop.
- If using beavertail grips, ensure they are properly trimmed to fit the chassis system.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Ensure that the rifle is unloaded and in a safe environment.
- Gather all necessary tools for installation.

2. Removing the Original Stock

- Carefully remove the original stock from the Howa 1500 rifle by following the manufacturer's instructions.
- Keep all screws and components for reassembly if needed.

3. Installing the Chassis System

- Align the rifle action with the Vblock bedding system in the MDT ESS Chassis.
- Secure the rifle action with the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Install the magazine well, ensuring it is properly aligned for easy insertion of the magazine.

4. Adjusting the Buttstock and Cheek Rest

- Adjust the buttstock length of pull using the thumb wheels for optimal fit.
- Adjust the cheek rest height using the thumb wheels for proper sight alignment.

5. Final Checks

- Ensure all components are securely attached and functioning properly.
- Conduct a safety check to confirm the rifle is unloaded and ready for safe handling.

Usage Instructions

- Always maintain a firm grip on the rifle while using the chassis system.
- Utilize the adjustable features of the buttstock and cheek rest to ensure comfort and stability during use.
- When engaging in shooting activities, follow all safety protocols and guidelines.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations regarding metal and plastic waste.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.

Contact Information for Further Support

For further assistance or inquiries about the MDT ESS Chassis System Kit, please refer to the manufacturer's contact details provided in the product packaging or on the official website.
