

# ESS Chassis System Kit Howa 1500 SA RH Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Howa 1500 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Howa 1500 rifle. This guide provides essential safety instructions and guidelines to ensure a safe and effective use of your product. Please read this document thoroughly before installation and usage.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the chassis system for any signs of wear or damage.
- Always keep the rifle pointed in a safe direction when handling.
- Store the chassis system and rifle in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when operating the rifle.
- Report any unsafe conditions or product malfunctions to the relevant authorities.

## Specific Safety Precautions for Use

- Do not modify the chassis system in any way that could compromise its structural integrity.
- Ensure that the buttstock is properly adjusted before use to prevent accidents.
- Use only compatible magazines as specified in the product description.
- When using the adjustable buttstock, ensure that all adjustments are securely locked in place.
- Avoid placing excessive pressure on the magazine well during insertion or removal of the magazine.
- Be cautious when operating the ambidextrous magazine latch to prevent accidental discharge.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure you have all components of the MDT ESS Chassis System Kit, including the 15" forend, adjustable buttstock, and AR pistol grip.
2. **Remove the Existing Stock:** Carefully detach the existing stock from your Howa 1500 rifle, following the manufacturer's instructions.
3. **Attach the Chassis:** Align the rifle action with the Vblock bedding system of the chassis and secure it using the provided screws.
4. **Install the Forend:** Attach the 15" forend to the chassis, ensuring it is firmly secured.
5. **Adjust the Buttstock:** Adjust the buttstock for length of pull and cheek rest height using the thumb wheels. Ensure all adjustments are locked in place.
6. **Attach the Pistol Grip:** Install the AR pistol grip, ensuring it is compatible with the chassis system.
7. **Final Inspection:** Doublecheck all connections and adjustments before using the rifle.

### Usage

- Ensure that the magazine is properly inserted into the magazine well before firing.
- Adjust the cheek rest and butt pad for comfort and proper alignment with your eye.
- Before firing, check that the rifle is unloaded and that the safety is engaged.
- Always follow safe firearm handling practices during use.

## **Disposal Instructions**

- Dispose of the chassis system and any components in accordance with local regulations.
- Recycle materials where possible, including aluminum and plastic components.
- Do not dispose of the chassis system in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's website or customer service resources. It is essential to have access to a contact point for any safetyrelated questions or concerns.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible use of the MDT ESS Chassis System Kit Howa 1500.
