

# ESS Chassis System Kit Howa 1500 SA RH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Howa 1500 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for the Howa 1500. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this guide thoroughly before using the chassis system to understand the necessary precautions and proper handling.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis system for any signs of wear or damage.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.
- Ensure that your workspace is clear of distractions and hazards while handling the chassis system.
- Store the product in a safe, dry place when not in use.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to instability or malfunction.
- Misuse of the adjustable components can cause injury.
- Ensure the magazine is properly inserted to avoid accidental discharge.

### • Avoiding Hazards:

- Follow all installation and usage instructions carefully.
- Use only compatible magazines as specified by the manufacturer.
- Adjust the buttstock and cheek rest only when the rifle is not loaded.
- Always point the rifle in a safe direction when making adjustments.

### • AgeSpecific Warnings:

- This product is not intended for use by individuals under 18 years of age without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the rifle is unloaded before beginning the installation.
- Remove the existing stock from the Howa 1500 following the manufacturer's instructions.
- Align the Vblock bedding system of the MDT ESS chassis with the rifle action.
- Securely fasten the chassis to the rifle using the provided screws.
- Attach the adjustable buttstock and AR pistol grip according to the included instructions.

### 2. Usage:

- Adjust the buttstock lengthofpull using the thumb wheels to fit your preference.
- Set the cheek rest height for optimal sight alignment.
- Insert the magazine into the magazine well until you hear a click.
- Ensure the magazine latch is functioning properly for easy release.

- Test the barricade stop in front of the magazine for proper fit and function.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general household waste.
- If the product is damaged or no longer usable, consult local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's official website or contact your local distributor.

Please remember to keep this safety instruction guide for future reference. Your safety is our priority, and following these guidelines will ensure a secure and enjoyable experience with your MDT ESS Chassis System Kit.
