

ESS Chassis System Kit Howa 1500 LA RH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Howa 1500 Safety Instructions

Introduction

Thank you for purchasing the MDT ESS Chassis System Kit for the Howa 1500. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure that the MDT ESS Chassis System Kit is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that you are buying from a reputable source that complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's official contact points provided in the product packaging.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on safety alerts related to this product.

Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear appropriate personal protective equipment, such as safety glasses and gloves, when handling the chassis system.
- **Proper Handling:** Handle the chassis system with care to avoid dropping or damaging it, which could lead to accidents.
- **Check Compatibility:** Ensure that your firearm is compatible with the MDT ESS Chassis System Kit before installation.
- **Inspect Before Use:** Regularly inspect the chassis system for any signs of wear or damage. Do not use if damaged.
- **Safe Environment:** Use the chassis system in a safe and controlled environment, away from unauthorized individuals.
- **Follow Local Laws:** Always comply with local laws and regulations regarding firearm modifications and usage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before beginning installation.
- Ensure that the workspace is clean and free of distractions.

2. Installation Steps:

- Remove the existing stock from the Howa 1500 rifle according to the manufacturer's instructions.
- Align the rifle action with the Vblock bedding system in the MDT ESS Chassis.
- Secure the rifle action in place using the provided screws, ensuring a tight fit.
- Attach the adjustable buttstock and AR pistol grip as per the assembly instructions included with the kit.
- Adjust the buttstock for length of pull and cheek rest height using the thumb wheels to suit your

preference.

- Ensure that the magazine well is properly aligned and the magazine can be easily inserted.

3. Usage Guidelines:

- Before each use, check that the chassis system is securely attached to the rifle action.
- Adjust the cheek rest and buttpad as needed for comfort and proper aiming.
- Practice safe firearm handling at all times. Always point the firearm in a safe direction and keep your finger off the trigger until ready to shoot.

Disposal Instructions

- **Environmental Considerations:** Dispose of the chassis system in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** Where possible, recycle materials such as aluminum and plastic components.
- **Hazardous Materials:** If any components are deemed hazardous, follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For additional support, please refer to the product packaging for the manufacturer's contact information. Always reach out for assistance if you have questions or concerns regarding the MDT ESS Chassis System Kit.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit for the Howa 1500. Thank you for your attention to safety and compliance.
