

ESS Chassis System Kit Howa 1500 LA RH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Howa 1500 Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Howa 1500 rifle. This guide provides essential safety instructions and guidelines to ensure the safe usage and maintenance of your product. Please read this manual carefully before installation and usage to maximize safety and performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care, treating each one as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Be aware of your surroundings when using firearms to ensure the safety of yourself and others.

Specific Safety Precautions for Use

- Before installation, ensure the rifle is unloaded and the safety is engaged.
- Use only compatible magazines with the chassis system to prevent malfunctions.
- When making adjustments to the buttstock and cheek rest, do so in a safe environment to avoid accidental discharge.
- Always ensure that the magazine well is clear before inserting a magazine.
- Avoid placing pressure on the magazine while shooting, as this may cause feeding issues.
- If using a beavertail grip, ensure it is properly trimmed to fit the chassis system.
- Always wear appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Workspace** Ensure you have a clean, welllit workspace. Gather all necessary tools and components.
2. **Remove the Existing Stock** Unload the rifle and engage the safety. Remove the existing stock by unscrewing it from the action.
3. **Install the MDT ESS Chassis** Align the rifle action with the Vblock bedding system of the chassis. Secure the action with screws provided in the kit, ensuring a snug fit.
4. **Attach the Forend** Slide the 15" forend onto the chassis and secure it according to the manufacturer's instructions.
5. **Adjust the Buttstock and Cheek Rest** Adjust the buttstock for lengthofpull using the thumb wheels. Modify the cheek rest height to suit your shooting position.
6. **Install the Magazine** Insert the magazine into the well until it clicks into place. Test the magazine latch to ensure it is functioning properly.

Usage Guidelines

- Always check the rifle's action and magazine before shooting.
- When adjusting the chassis components, do so while the rifle is pointed in a safe direction.
- Ensure that the rifle is stable and secure before firing.
- Maintain proper shooting posture to enhance accuracy and control.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- If the chassis system becomes damaged beyond repair, consult local waste management guidelines for proper disposal.
- Recycle materials when possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding the MDT ESS Chassis System Kit or safety concerns, please refer to the official MDT website or your local authorized dealer for assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your shooting experience with the MDT ESS Chassis System Kit!
