

ESS Chassis System Kit Howa 1500 LA RH Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Howa 1500 Safety Instruction Guide

Introduction

Thank you for purchasing the MDT ESS Chassis System Kit for the Howa 1500. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully before using the chassis system to understand its features, safety precautions, and proper handling.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this chassis system.
- Always follow the manufacturer's instructions when installing and using the chassis kit.
- Store your chassis system and any associated firearms in a secure location, away from unauthorized access, especially by children.
- Regularly inspect the chassis system for any signs of wear or damage. If any issues are found, do not use the product until it has been repaired or replaced.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm equipped with this chassis system.
- In case of any accidents or unsafe conditions, report them to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about any safety issues related to your product.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Use only compatible magazines as recommended by the manufacturer.
- Ensure that the magazine is securely inserted before handling the firearm.
- Avoid placing any pressure on the magazine while firing, as this may cause malfunctions.
- Do not modify the chassis system or associated components unless explicitly permitted by the manufacturer.
- When adjusting the buttstock or cheek rest, ensure that all adjustments are secure before use.
- Be cautious when using the adjustable features of the chassis system; improper adjustments can lead to an unstable shooting position.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the workspace is clean and free of distractions. Gather all necessary tools and components.
2. **Remove Existing Stock:** Carefully detach the existing stock from the Howa 1500 rifle following the manufacturer's instructions.
3. **Attach the Chassis:**
 - Align the rifle action with the Vblock bedding system of the MDT ESS Chassis.
 - Securely fasten the chassis to the rifle using the provided screws and tools, ensuring a tight fit.
4. **Install the Forend:** Attach the 15" forend to the chassis, ensuring it is securely fastened.
5. **Adjust the Buttstock:** Adjust the buttstock to your preferred length and height. Ensure that all adjustments are locked in place.
6. **Install the Pistol Grip:** Attach your chosen AR pattern pistol grip to the chassis. Ensure compatibility and secure attachment.
7. **Final Check:** Inspect all connections and adjustments before using the chassis system.

Usage

- Always wear appropriate eye and ear protection when using firearms.
- Familiarize yourself with the controls of the MDT ESS Chassis System before use.
- Use the adjustable features to find a comfortable shooting position that promotes stability and accuracy.
- Practice safe handling techniques at all times, including keeping the firearm pointed in a safe direction.
- After use, clean and maintain the chassis system according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the chassis system responsibly, following local regulations for hazardous materials and firearm components.
- If the chassis system is damaged beyond repair, contact your local waste management authorities for guidance on proper disposal methods.
- Ensure that any associated components, such as magazines or grips, are also disposed of in accordance with local laws.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's contact information found in the product packaging or on their official website. It is essential to reach out for support to ensure safe and proper use of your product.

By following these safety instructions, you can ensure the safe and effective use of your MDT ESS Chassis System Kit for the Howa 1500. Thank you for prioritizing safety and responsible firearm handling.
