

# ESS Chassis System Kit Howa 1500 LA RH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Howa 1500 Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Howa 1500 rifle. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this document carefully before using the chassis system.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MDT ESS Chassis System Kit by following all instructions and warnings provided in this guide.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall occurs, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries related to this product, please refer to the manufacturer's contact information provided with your purchase.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on safety alerts related to this product.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation or use of the chassis system can lead to firearm malfunction or accidents.
  - The adjustable buttstock and cheek rest must be securely locked in place to prevent movement during use.
  - Ensure that the magazine is properly seated in the magazine well to avoid feeding issues.
- **Avoiding Hazards:**
  - Always ensure the firearm is unloaded when installing or adjusting the chassis system.
  - Do not exceed the weight limit of the chassis system as specified in the product specifications.
  - Regularly inspect the chassis system for any signs of wear or damage before each use.
- **AgeSpecific Warning:**
  - This product is intended for use by individuals aged 18 and older. Ensure that all users are knowledgeable about firearm safety and handling.

## Instructions for Installation and Usage

- **Installation:**
  1. **Prepare Your Workspace:** Ensure you are in a clean, welllit area free from distractions.
  2. **Unload the Firearm:** Ensure that the rifle is completely unloaded before beginning installation.
  3. **Remove the Existing Stock:** Carefully detach the original stock from the rifle according to the manufacturer's instructions.

4. **Install the Chassis:** Align the MDT ESS Chassis with the rifle action and secure it using the provided screws. Ensure all screws are tightened to the specified torque.
5. **Adjust the Buttstock:** Adjust the length of pull and cheek rest height using the thumb wheels. Ensure the adjustments are secure.
6. **Attach the Forend:** Install the 15" forend securely, ensuring it fits snugly against the chassis.
7. **Insert the Magazine:** Insert the magazine into the magazine well, ensuring it clicks into place.

- **Usage:**

- Always follow standard firearm safety practices when using your rifle.
- Adjust the buttstock and cheek rest to fit your shooting position for optimal comfort and control.
- Regularly check the magazine well and magazine latch for proper function.

## Disposal Instructions

- When the MDT ESS Chassis System Kit is no longer in use or has reached the end of its life, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check with your local waste management facility for proper disposal methods for aluminum and other materials.

## Contact Information for Further Support

For further support, please refer to the manufacturer's contact information provided with your purchase. Always ensure that you have the latest information regarding safety and product recalls.

Thank you for prioritizing safety while using the MDT ESS Chassis System Kit for your Howa 1500 rifle. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
