

ESS Chassis System Kit Ruger American SA RH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

Safety Instruction Guide for MDT ESS Chassis System Kit Ruger American

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for the Ruger American. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms responsibly and in a safe manner.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Store the chassis system in a secure location when not in use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the chassis system.
- Do not modify the chassis system in any way that could impact its safety or performance.
- Use only compatible accessories and components as specified by the manufacturer.
- Be aware of your surroundings and ensure a clear shooting area when using the firearm with this chassis system.
- Avoid using the chassis system in wet or extreme environmental conditions unless specified as safe by the manufacturer.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure you have all necessary tools and components before starting the installation.
2. **Unloading the Firearm:** Confirm that the firearm is completely unloaded.
3. **Remove Existing Stock:** Detach the existing stock from the Ruger American according to the manufacturer's instructions.
4. **Attach the Chassis:**
 - Align the action of the firearm with the Vblock bedding system of the chassis.
 - Securely fasten the action to the chassis using the provided screws.
5. **Install the Forend:** Attach the 15" forend to the chassis according to the instructions provided.
6. **Adjust the Buttstock:**
 - Adjust the buttstock for length of pull and cheek rest height using the thumb wheels.
 - Ensure all adjustments are secure before use.
7. **Install the Magazine:** Insert the magazine into the well, ensuring it is seated properly.

Usage

- Always perform a function check after installation to ensure everything is working correctly.
- Adjust the magazine latch for easy access with the trigger finger or left hand.
- Use the barricade stop to prevent undue pressure on the magazine during shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is no longer usable, consider recycling its components where possible.

Contact Information for Further Support

For any safety inquiries or support regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's contact information provided with the product packaging.

By following these instructions and guidelines, you can ensure the safe use of your MDT ESS Chassis System Kit for the Ruger American. Always prioritize safety and responsible handling of firearms.
