

ESS Chassis System Kit Ruger American SA RH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Ruger American Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Ruger American rifle. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the rifle is unloaded before installing or adjusting the chassis system.
- Avoid placing any part of your body in front of the muzzle when handling the rifle.
- Do not modify the chassis system beyond the manufacturer's specifications.
- Ensure that the magazine is correctly inserted and secured before use.
- Be cautious when adjusting the buttstock and cheek rest; ensure they are securely locked in place before use.

Instructions for Installation and Usage

1. Installation of the Chassis System:

- Start by ensuring that your Ruger American rifle is unloaded.
- Remove the existing stock from the rifle by unscrewing any bolts or fasteners.
- Carefully align the rifle action with the Vblock bedding system of the MDT ESS chassis.
- Secure the rifle action in place using the provided screws, ensuring a tight fit.
- Attach the magazine well to the chassis, ensuring proper alignment and fit.

2. Adjusting the Buttstock:

- To adjust the length of pull, locate the thumb wheel on the buttpad and turn it to achieve the desired length.
- For lateral adjustment, loosen the corresponding thumb wheel and adjust the buttpad to your preference, then retighten.

3. Adjusting the Cheek Rest:

- Locate the thumb wheels for the cheek rest height adjustment.
- Turn the thumb wheels to raise or lower the cheek rest to your desired height.
- Ensure that the cheek rest is securely locked in place before use.

4. Using the Magazine:

- Insert the magazine into the magazine well, ensuring it clicks into place.
- To release the magazine, use the ambidextrous magazine latch, which can be operated with either hand.

5. Final Checks:

- Before firing, doublecheck that all adjustments are secure and that the rifle is in a safe condition.
- Ensure that the barricade stop is properly positioned to prevent pressure on the magazine.

Disposal Instructions

- When disposing of the MDT ESS Chassis System Kit, follow your local regulations for the disposal of aluminum and other materials.
- If the product is damaged or no longer usable, consider recycling the aluminum components where facilities are available.
- Ensure that any remaining parts are disposed of safely to prevent injury to others.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact their customer service department. Always ensure that you have the latest information regarding safety recalls or product updates.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you is our priority. Enjoy using your MDT ESS Chassis System Kit responsibly!
