# MDT ESS Foreend Chassis Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Foreend Chassis ESS Forend NV Rail 15" (381mm) RED. This product is designed for enhanced performance and user experience. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the product is suitable for your specific firearm model.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Do not modify the product in any way that could compromise its safety.
- If you experience any issues or concerns with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Use the product only for its intended purpose as specified by the manufacturer.
- Ensure that all attachments and accessories are securely fastened before use.
- Avoid exposing the product to extreme temperatures or harsh environmental conditions.
- Do not use the product if it shows any signs of damage or malfunction.
- Always follow the manufacturer's guidelines for cleaning and maintenance to ensure optimal performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have the necessary tools for installation.
- Carefully remove the product from its packaging and inspect it for any damage.
- Follow the manufacturer's instructions to attach the foreend to your firearm securely.
- Ensure all screws and fasteners are tightened to the manufacturer's specifications.

### 2. Usage:

- Before using the product, ensure that your firearm is unloaded and pointed in a safe direction.
- Familiarize yourself with the product's features and how it integrates with your firearm.
- Practice safe handling procedures at all times while using the product.
- Store the product in a secure location when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum materials if applicable.

## Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Foreend Chassis, please contact the manufacturer or your local retailer for assistance. It is important to have an EU-based contact for any safety inquiries.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your MDT ESS Foreend Chassis. Always prioritize safety and comply with all relevant regulations. Thank you for your attention to these important guidelines.
