Introduction

Thank you for choosing the MDT ESS Foreend MDT Chassis. This product is designed to enhance your shooting experience while ensuring your safety. Please read this guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product before use for any signs of damage or wear.
- Store the product in a safe, dry place when not in use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only compatible accessories and attachments with the MDT ESS Foreend.
- Always follow the manufacturer's instructions for installation and usage.
- Ensure that the foreend is securely attached to the chassis before use.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Do not exceed the weight limit specified by the manufacturer for attached accessories.
- Wear appropriate safety gear while using the product, such as eye protection.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all necessary tools and components before beginning installation.
- Attach the foreend to the chassis by aligning the mounting points.
- Secure the foreend using the provided screws or fasteners. Ensure they are tightened according to the manufacturer's specifications.
- Check for stability and ensure there are no loose parts before proceeding.

2. Usage:

- Always handle the product with care and follow standard safety practices while shooting.
- Maintain a proper grip on the chassis during use for better control.
- Regularly clean and maintain the product to ensure optimal performance.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the product.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in a way that prevents any potential hazards to others.
- Recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For safety inquiries or further support, please contact the manufacturer or your local distributor. Ensure you have the product details at hand when reaching out for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy your MDT ESS Foreend MDT Chassis.
