MDT ESS Foreend Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Foreend. This product is designed to enhance your shooting experience with safety and reliability. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Material Safety:** The MDT ESS Foreend is made of aluminum. Avoid exposure to extreme heat or corrosive substances that may affect its integrity.
- **Color Consideration:** The product comes in O.D. Green (Olive Drab). Ensure that the color does not interfere with your intended use or visibility in your environment.
- **Installation Precautions:** Ensure that the foreend is securely attached to your chassis before use. Loose attachments can lead to accidents or product failure.
- **Use in Safe Environments:** Only use the product in designated shooting areas. Ensure that the area is safe and free from bystanders.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have the necessary tools for installation.
- Align the foreend with the chassis and securely attach it using the provided screws.
- Check that all screws are tightened properly before use.
- Inspect the installation for any gaps or misalignments.

2. Usage:

- Always handle the product with care.
- Avoid using excessive force when handling the foreend.
- Do not modify the foreend or use it in ways not intended by the manufacturer.
- If you experience any issues during use, cease operation immediately and inspect the product.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Recycle materials where applicable, particularly aluminum components.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your MDT ESS Foreend. Thank you for your attention to safety.
