MDT ESS Foreend MDT Chassis ESS Foreend NV Rail 18" (457mm) BBZ Safety Instructions

Introduction

Thank you for choosing the MDT ESS Foreend MDT Chassis. This safety instruction guide is designed to help you use the product safely and effectively. Please read this document thoroughly before use to ensure compliance with safety regulations and to maximize your enjoyment of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this manual.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Always follow local laws and regulations regarding the use of firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the MDT ESS Foreend only with compatible firearms as specified by the manufacturer.
- Ensure that the foreend is securely attached to the chassis before use to prevent detachment during operation.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Do not modify the product in any way, as this may compromise safety and void the warranty.
- Always wear appropriate safety gear, including eye protection, when using firearms equipped with this product.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the firearm is unloaded and safe before beginning installation.
2. **Attach the Foreend:**
 - Align the foreend with the chassis according to the manufacturer's specifications.
 - Securely fasten the foreend using the provided screws and tools.
 - Doublecheck that all connections are tight and secure.
3. **Attach NV Rail (if applicable):**
 - Position the NV rail on the foreend as per the instructions provided.
 - Ensure that it is firmly attached to support any accessories.

Usage

- Always check the functionality of the foreend and rail before each use.
- Follow standard firearm safety protocols when handling and operating your firearm.
- Ensure that all accessories mounted on the NV rail are securely attached and do not obstruct the operation of the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in general household waste.
- Consider recycling the product or its components whenever possible to minimize environmental impact.

Contact Information for Further Support

For any questions regarding the safety or use of the MDT ESS Foreend MDT Chassis, please refer to the manufacturer's website or customer service resources for further assistance.

By adhering to these guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT ESS Foreend MDT Chassis. Thank you for your attention to safety.
