

## ESS Chassis Base Savage models 10-116 - ESS Chassis Base-Savage SA-Left Handed-Cerakote Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# Safety Instruction Guide for MDT ESS Chassis Base Savage Models 10116

## Introduction

Thank you for choosing the MDT ESS Chassis Base for Savage models 10116. This guide provides essential safety instructions and usage guidelines to ensure your safe and effective use of the product. Please read this document carefully before using the chassis base.

## General Safety Guidelines

- Ensure that you are familiar with the operation of firearms and the specific requirements for using chassis systems.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Inspect the chassis and all components before installation and use to ensure they are in good condition.
- Follow all local laws and regulations regarding firearm modifications and use.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is unloaded before installing or adjusting the chassis.
- Do not modify the chassis or its components in any way that is not recommended by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.
- If you notice any unusual behavior or performance issues with the chassis or firearm, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure you have all necessary tools and components before starting the installation.
- Work in a clean, dry area to prevent loss of small parts.

#### 2. Remove the Stock:

- Unload the firearm and ensure it is pointed in a safe direction.
- Remove the existing stock from the firearm according to the manufacturer's instructions.

#### 3. Install the Chassis Base:

- Align the chassis base with the action of the firearm.
- Secure the chassis base using the provided screws and tools, ensuring a tight fit.

#### 4. Attach the Forend:

- Select your desired forend length (12", 15", or 18").
- Attach the forend to the chassis base, following the manufacturer's guidance for securing it properly.

#### 5. Install the Stock:

- Choose your preferred stock option (Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock).
- Attach the stock to the chassis base, ensuring it is securely fastened.

## **Usage**

- Once installed, ensure that all components are functioning correctly before use.
- Regularly check the tightness of screws and fittings during usage.
- Follow all firearm safety practices while handling and using the firearm equipped with the chassis.

## **Disposal Instructions**

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in household waste. Check for recycling programs or designated disposal sites for firearms accessories.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the MDT ESS Chassis Base, please refer to the contact information provided by the retailer or manufacturer from whom you purchased the product.

## **Reporting Unsafe Products**

- If you encounter any unsafe products or experience accidents, report them to the relevant authorities.
- Stay informed about recalls and safety updates by checking the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and customization of your MDT ESS Chassis Base!
