

## ESS Chassis Base Savage models 10-116 - ESS Chassis Base-Savage SA-Left Handed-ESS Cerakote Tactical Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# MDT ESS Chassis Base Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Chassis Base for your Savage model rifle. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is unloaded before installing or adjusting the chassis.
- Use the chassis only with compatible Savage model rifles (10, 12, 16, 11).
- Do not exceed the manufacturer's specified weight limit for accessories.
- Ensure that all accessories are securely fastened before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the chassis or use it in ways not intended by the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components before starting the installation.
- Ensure that your workspace is clean and free from distractions.

### 2. Installation of the Chassis Base:

- Remove the existing stock from your Savage rifle following the manufacturer's instructions.
- Align the MDT ESS Chassis Base with the rifle's action.
- Secure the chassis base using the provided screws, ensuring they are tightened to the manufacturer's specifications.

### 3. Adding Forend and Stock:

- Select the desired forend length (12", 15", or 18") and style (full rail, partial rail, or no rail).
- Attach the forend to the chassis base using the provided mounting hardware.
- Choose your preferred stock (Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock) and install it according to the manufacturer's instructions.

### 4. Final Checks:

- Ensure all components are securely attached and properly aligned.
- Conduct a function check of the rifle to ensure safe operation.

### 5. Usage:

- When ready to use the rifle, ensure it is pointed in a safe direction.
- Follow all standard firearm safety practices during operation.

## **Disposal Instructions**

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for appropriate disposal methods for aluminum and other materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis Base, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's official website.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience responsibly!
