

ESS Chassis Base Tikka T3 - ESS Chassis Base-Tikka T3 LA-Left Handed-ESS Cerakote Burnt Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Tikka T3. This guide provides essential safety instructions and usage guidelines to ensure a safe experience with your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that all components are compatible with your firearm model before installation.
- Regularly inspect the chassis and its components for signs of wear or damage.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Store the chassis and any associated components in a secure location, out of reach of children and unauthorized users.
- Use only manufacturer-approved parts and accessories to maintain safety and performance.

Specific Safety Precautions for Use

- Only use the MDT ESS Chassis Base with firearms that are compatible, specifically the Tikka T3 and T3x models.
- Always ensure the firearm is unloaded before attaching or detaching the chassis.
- When using the chassis, ensure that all screws and fasteners are properly tightened to prevent accidents.
- Avoid using the chassis in extreme weather conditions that may affect performance and safety.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that you have all necessary tools and components ready for installation.
2. **Unload Firearm:** Confirm that the firearm is completely unloaded and pointed in a safe direction.
3. **Remove Existing Stock:** Carefully detach the existing stock from the firearm, following the manufacturer's instructions.
4. **Attach Chassis Base:**
 - Align the MDT ESS Chassis Base with the action of the firearm.
 - Securely fasten the chassis using the provided screws, ensuring all are tightened appropriately.
5. **Install Forend and Stock:**
 - Select your desired forend length (12", 15", or 18") and attach it to the chassis base.
 - Choose your stock type (Skeleton Rifle, Folding Rifle, or Skeleton Carbine) and install it according to the provided instructions.
6. **Final Check:** Inspect the installation to ensure everything is secure and properly aligned.

Usage

- Familiarize yourself with the controls and features of your newly installed chassis.
- When mounting optics, ensure that they are securely attached and properly aligned.
- Regularly check the chassis and components during use to ensure they remain secure and functional.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the chassis or any components become damaged beyond repair, follow local guidelines for the disposal of metal and plastic materials.

- Do not dispose of the chassis in regular trash if it is still functional; consider donating or recycling it.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact customer support. Ensure that you have your product information on hand for quicker assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your MDT ESS Chassis Base. Thank you for your attention to safety and for choosing MDT products.
