

# ESS Chassis Base Savage models 10-116 - ESS Chassis Base-Savage LA-Left Handed-ESS LEFT HANDED Cerakote FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# MDT ESS Chassis Base Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis Base for your Savage models 10116. This guide provides essential safety instructions to ensure the safe use and installation of your new chassis system. Please read this document carefully before use and keep it for future reference.

## General Safety Guidelines

- Ensure that the product is intended for use with compatible Savage models: 110, 112, 116, and 111.
- Always handle the chassis with care to prevent injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Follow all safety regulations and guidelines applicable in your region.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the chassis.
- Ensure that the firearm is unloaded before installing or adjusting the chassis.
- Do not modify the chassis or any of its components unless specified by the manufacturer.
- Avoid using the chassis in environments that may expose it to extreme temperatures or moisture.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure you have all necessary tools for installation, including a torque wrench.
- Read the manufacturer's instructions carefully.

#### 2. Remove the Existing Stock:

- Unload the firearm and ensure it is safe to handle.
- Remove the existing stock from the firearm according to the manufacturer's instructions.

#### 3. Attach the Chassis Base:

- Align the chassis base with the action of the firearm.
- Secure the chassis using the provided screws. Follow the torque specifications provided in the manufacturer's manual.

#### 4. Install the Forend and Stock:

- Select your desired Forend length (12", 15", or 18").
- Attach the Forend to the chassis base, ensuring it is securely fastened.
- Choose the stock option (Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock) and attach it according to the instructions.

#### 5. Final Inspection:

- Check all connections and ensure everything is tightened to the specified torque.
- Inspect the installation for any visible gaps or misalignments.

## **Usage Instructions**

- Always ensure the firearm is pointed in a safe direction when handling.
- Familiarize yourself with the features of the chassis before use.
- Practice safe shooting habits, including keeping your finger off the trigger until ready to shoot.
- Regularly clean and maintain the chassis to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the chassis in regular household waste.
- Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions regarding safety, installation, or product performance, please contact the manufacturer or refer to the official website for additional resources and support.

By following these safety instructions, you can ensure the safe and effective use of your MDT ESS Chassis Base. Thank you for your attention to safety, and enjoy your shooting experience!
