

ACC Chassis Base-Remington 700 - ACC Chassis Base-Remington 700 SA-Left Handed-ACC Cerakote Cerakote Tactical Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can create your own ACC Chassis starting from this Chassis Base. Different stock options are available, including folding stocks: SRS-X Elite, Standard or Short and SRS-XF Folding. Pistol Grip is also needed, MDT's Vertical Pistol Grip is designed for this Chassis. Please see complete ACC Chassis Systems for more information.

MDT ACC Chassis Base Safety Instruction Guide

Introduction

Thank you for choosing the MDT ACC Chassis Base for your Remington 700. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that all components are compatible with your specific firearm model.
- Always adhere to local laws and regulations regarding firearm modifications.
- Use the chassis only for its intended purpose; improper use may lead to accidents or injuries.
- Keep the chassis and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Report any unsafe product experiences to the appropriate authorities.

Specific Safety Precautions for Use

- Always handle firearms with care and follow standard firearm safety rules.
- Ensure the firearm is unloaded before attaching or detaching the chassis.
- Use protective gear, such as gloves and safety glasses, when installing or modifying the chassis.
- Do not exceed the manufacturer's weight limit for accessories mounted on the chassis.
- Be cautious of sharp edges during installation and handling.
- If you experience any difficulty during installation, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components, including the MDT ACC Chassis Base, pistol grip, and any additional stocks.
- Ensure you are working in a clean, welllit area.

2. Installation Steps

- **Remove the Existing Stock:**
 - Unload the firearm.
 - Follow the manufacturer's instructions to safely detach the existing stock from the Remington 700.
- **Attach the MDT ACC Chassis Base:**
 - Align the chassis base with the action of the firearm.
 - Secure the chassis base using the provided screws and tools, ensuring a tight fit.
- **Install Pistol Grip:**
 - Attach MDT's Vertical Pistol Grip to the chassis base according to the instructions provided.
- **Add Stock Options:**
 - Choose your desired stock option (SRSX Elite, Standard, Short, or SRSXF Folding) and attach it securely.
- **Final Checks:**
 - Ensure all components are securely fastened.
 - Conduct a safety check to confirm that the firearm operates correctly with the new chassis.

3. Usage Instructions

- Familiarize yourself with the new setup before taking the firearm to the range.
- Practice safe handling and shooting techniques while using the chassis.

Disposal Instructions

- Dispose of packaging materials responsibly, following local recycling guidelines.
- If the product is no longer needed, consider returning it to the manufacturer or a local retailer for proper disposal.
- Do not throw the product in regular household waste; follow your local hazardous waste disposal regulations if applicable.

Contact Information for Further Support

For any questions or concerns regarding the MDT ACC Chassis Base, please refer to the manufacturer's website or contact your local retailer for assistance. Always ensure you have the most current information regarding product safety and compliance.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the MDT ACC Chassis Base!
