MDT Buttstock Adapter Safety Instructions

Introduction

Thank you for choosing the MDT XTN to Carbine Adapter. This product is designed to convert the proprietary XTN buttstock interface in any ESS and ACC Chassis to a standard ARstyle carbine buffer tube interface. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Ensure that the adapter is compatible with your specific chassis before installation.
- Avoid using excessive force during installation to prevent damage to the adapter or chassis.
- Do not modify the adapter in any way, as this may compromise its safety and functionality.
- Always wear appropriate safety gear when handling or installing firearm accessories.
- Be aware of your surroundings and ensure a safe environment when using the product.

Instructions for Installation and Usage

Installation

1. **Prepare the Chassis:** Ensure the chassis is clean and free from debris.
2. **Align the Adapter:** Position the MDT XTN to Carbine Adapter at the XTN interface of the chassis.
3. **Secure the Adapter:** Use the provided screws to secure the adapter in place. Ensure they are tightened adequately, but do not overtighten.
4. **Check Stability:** Once installed, check the stability of the adapter. It should be firmly attached without any wobble.
5. **Install Buffer Tube:** Insert a standard ARstyle carbine buffer tube into the adapter and secure it as per the buffer tube's installation instructions.

Usage

- Use the adapter only with compatible buttstocks designed for ARstyle buffer tubes.
- Regularly check the adapter and connections for wear and tear. Replace if any issues are detected.
- Follow all safety protocols related to the use of firearms and firearm accessories.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not throw the product in regular household waste. Check for designated disposal sites or recycling options.

Contact Information for Further Support

For any inquiries regarding the product or safety concerns, please contact the manufacturer directly through their official communication channels.

Thank you for prioritizing safety while using your MDT XTN to Carbine Adapter. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
