

Buttstock Adapters and Parts - MDT Accessories - Buttstock Adjustment Wheel - SRS-XF - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Adapter](#)

MDT's Adjustment Wheel for SRS-XF Folding Buttstock adds on to the thumbwheel set-screw mechanism that comes standard on the SRS-XF Folding Buttstock for finer adjustment of the cheek riser height. If the "fold over bolt" feature of the ESS Folding Buttstock is not a relevant feature for your bolt action rifle, this adjustment wheel add-on option will provide you with a finer level of tuning your cheek riser height. Please note that it will require the folding mechanism to be rotated 180 degrees so that the buttstock can fold on the non-bolt side of the rifle. This Adjustment Wheel is only compatible with the MDT ESS Folding Stock.

MDT Buttstock Adjustment Wheel Safety Instructions

Introduction

Thank you for choosing the MDT Buttstock Adjustment Wheel for the SRSXF Folding Buttstock. This product is designed to enhance the adjustability of your rifle's cheek riser height. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the MDT Buttstock Adjustment Wheel is installed correctly to avoid any accidents or malfunctions.
- Always use the product in accordance with the manufacturer's instructions.
- Inspect the product regularly for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to ensure your product is safe.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure the rifle is unloaded before beginning installation.
- Use appropriate tools as specified in the installation instructions.
- Avoid overtightening screws to prevent damage to the adjustment wheel or the buttstock.

• Usage Precautions:

- Do not attempt to adjust the cheek riser height while the rifle is in use.
- Always verify the adjustment before using the rifle to ensure it is secure.
- Be aware of the folding mechanism's orientation to avoid accidental folding during use.

• Age and Audience Specific Warnings:

- This product is intended for use by individuals who are knowledgeable about firearm safety and handling.
- Do not allow children to handle or use this product unsupervised.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the rifle is completely unloaded.
- Remove the existing thumbwheel setscrew from the SRSXF Folding Buttstock.
- Align the Adjustment Wheel with the setscrew mechanism.
- Securely attach the Adjustment Wheel by tightening the setscrew. Ensure it is snug but do not overtighten.
- Rotate the folding mechanism 180 degrees if necessary to allow for proper folding on the nonbolt side of the rifle.

2. Usage Steps:

- Adjust the cheek riser height by turning the Adjustment Wheel clockwise for higher settings and counterclockwise for lower settings.
- After adjustments, doublecheck that the cheek riser is securely locked in place before use.
- Test the adjustment by shouldering the rifle to ensure comfort and proper alignment.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum materials.
- Do not dispose of the product in household waste.
- Consider recycling the product to reduce environmental impact.

Contact Information for Further Support

For any inquiries or support regarding the MDT Buttstock Adjustment Wheel, please refer to the manufacturer's website or customer service resources. Ensure you have your product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your equipment are of utmost importance. Enjoy your shooting experience with the MDT Buttstock Adjustment Wheel!
