MDT Buttstock Adapters and Parts Safety Instruction Guide

Introduction

Thank you for choosing the MDT Buttstock Adapters and Parts Replacement Kit. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any defects or issues with the product, discontinue use immediately and consult a professional.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the product if it is damaged or if any components are missing.
- Ensure that all screws and knobs are securely tightened before use to prevent accidents.
- Use the product in a wellventilated area to avoid inhaling any dust or particles generated during installation.
- Follow the manufacturer's recommendations for compatible buttstocks and accessories.
- Avoid using the product in wet or damp conditions to minimize the risk of corrosion or malfunction.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a screwdriver.
- Ensure you are working in a clean and organized space.

2. Installation Steps

- Remove the existing buttstock from your firearm, if applicable.
- Take the replacement set screws and wheel knobs from the kit.
- Align the new buttstock adapter with the firearm's mounting point.
- Insert the set screws into the designated holes and tighten them securely using a screwdriver.
- Attach the wheel knobs to the adapter and ensure they are also tightened properly.
- Reattach the buttstock, ensuring it fits securely on the adapter.

3. Usage

- Once installed, check the stability of the buttstock before use.
- Regularly inspect the adapter and knobs for any signs of wear or loosening during use.
- If any issues arise during use, cease operation immediately and inspect the product.

Disposal Instructions

- Follow local regulations for the disposal of aluminum and other materials used in this product.
- Do not dispose of the product in regular household waste.

- Consider recycling the materials where possible.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact details provided on the product packaging or the official website.

Thank you for following these safety instructions. Your safety is our priority.
