MDT Fixed to Carbine Lock Plate Safety Instructions

Introduction

Thank you for choosing the MDT Fixed to Carbine Lock Plate. This product is designed to provide a secure interface for attaching your AR15 (carbine/collapsible) buttstock to an MDT chassis. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions provided in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the MDT Fixed to Carbine Lock Plate with compatible AR15 buttstocks.
- Ensure that the buffer tube is securely tightened before use.
- Do not exceed the manufacturer's weight limit for the buttstock and accessories.
- Avoid using the product in extreme conditions (e.g., excessive heat or cold).
- If you notice any unusual noises or instability during use, stop using the product immediately.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools: a wrench and a castle nut.
- Ensure that the MDT chassis and buffer tube are clean and free of debris.

2. Installation Steps

- Slide the MDT Fixed to Carbine Lock Plate over your buffer tube.
- Hand tighten the buffer tube to your MDT chassis.
- Secure everything in place using the castle nut.
- Doublecheck that all connections are tight and secure before use.

3. Usage Tips

- Always check the stability of the buttstock before each use.
- Make adjustments as necessary to ensure a comfortable and secure fit.
- If using in a shooting environment, maintain proper shooting posture and safety protocols.

Disposal Instructions

- Dispose of the MDT Fixed to Carbine Lock Plate in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling the aluminum material where possible.

Contact Information for Further Support

For any questions or concerns regarding the MDT Fixed to Carbine Lock Plate, please refer to the manufacturer's website or customer support resources. It is important to have access to assistance for any safety inquiries related to the product.

By following these guidelines, you can ensure a safe and effective experience with your MDT Fixed to Carbine Lock Plate. Thank you for your attention to safety!
