

BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 8.5x55 Blaser - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

Specs:

- Thread: 1 1/4"
- Neck Size Bushing (diameter): 9.1mm
- Expander (diameter): 8.55mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL BenchRest Neck Dies for Rifle Calibers

Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the die to minimize risks and ensure proper functionality.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading tools and components.
- Keep the work area clean and free from clutter to avoid accidents during the reloading process.
- Store the die in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage. Do not use a damaged die.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- Before starting, ensure that the die is properly secured to the reloading press.
- Use only the specified bushing and components for the die to avoid malfunctions.
- Do not exceed the recommended specifications for cartridge sizes and weights.
- Avoid placing hands or fingers near moving parts during operation.
- Be aware of the potential for lead exposure when handling ammunition components. Wash hands thoroughly after use.
- Do not attempt to modify the die or use it in a manner not specified in the product instructions.

Instructions for Installation and Usage

1. Installation

- Carefully unpack the die and its components from the packaging.
- Inspect all parts to ensure they are in good condition and free from defects.
- Secure the die to your reloading press using the 1 1/4" threads, ensuring a tight fit.

2. Usage

- Insert the cartridge case into the guide sleeve of the die.
- Ensure that the case is aligned properly to achieve accurate sizing.
- If using the optional expander, attach it as per the instructions provided in the manual.
- Operate the reloading press smoothly and steadily to resize the cartridge case.
- After resizing, check the dimensions of the case to ensure proper sizing.

3. PostUse Care

- Clean the die after each use to remove any residue or debris.
- Store the die in a protective case or designated storage area to prevent damage.

Disposal Instructions

- Dispose of any unused or defective components in accordance with local regulations for hazardous materials.
- Do not dispose of the die in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For further assistance, please refer to the product manual or consult with the retailer from whom the die was purchased. Ensure you have the article number ready for any inquiries.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your TRIEBEL BenchRest Neck Die. Thank you for prioritizing safety in your reloading practices.
