

FULL LENGTH DIES FOR RIFLE CALIBERS - TRIEBEL Full Length Die - 10.36x77 - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length.

In addition to a removable expander our FL dies have an integrated primer ejector pin.

All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut.

Specs:

- Thread: 1 1/4"
- Expander (diameter): 10.31mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL Full Length Dies for Rifle Calibers

Introduction

Thank you for choosing the TRIEBEL Full Length Dies for Rifle Calibers. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. It is important to follow all guidelines to minimize risks and ensure a safe reloading experience.

General Safety Guidelines

- Always read and understand the product manual before using the die.
- Ensure that the die is suitable for your specific rifle caliber (10.36x77mm).
- Use the die only for its intended purpose: sizing cartridge cases.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Wear appropriate safety gear, including safety glasses and gloves, when handling ammunition and reloading components.
- Regularly inspect the die for any signs of wear or damage before each use.
- Do not attempt to modify or repair the die yourself. Seek professional assistance if needed.

Specific Safety Precautions for Use

- Ensure that the die is securely mounted in the reloading press before use.
- Do not exceed the recommended load specifications for your ammunition.
- Always use the correct components (brass, primers, powder) specified for the 10.36x77mm caliber.
- Keep your work area clean and organized to prevent accidents.
- Avoid distractions while reloading to maintain focus and precision.
- If you experience any malfunctions or abnormalities during use, cease operation immediately and inspect the die and press.
- Dispose of any defective or unsafe components properly according to local regulations.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is unplugged or disengaged before installation.
- Securely attach the TRIEBEL Full Length Die to the reloading press using the provided lock nut.
- Adjust the die position according to the manufacturer's instructions to ensure proper sizing.

2. Usage:

- Prepare your cartridge cases by cleaning them thoroughly.
- Insert the cartridge case into the die and ensure it is properly aligned.
- Apply steady pressure to the press handle to size the case fully.
- Once the case is sized, remove it and inspect for proper neck tension and dimensions.
- Repeat the process for each cartridge case as needed.

Disposal Instructions

- Dispose of any defective or damaged dies in accordance with local disposal regulations.
- Do not throw the die in regular trash; check for any recycling programs in your area.
- Ensure that all components used in the reloading process are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any inquiries regarding product safety, usage, or support, please refer to the contact information provided in the product manual or on the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you will help ensure a safe and effective reloading experience with the TRIEBEL Full Length Dies for Rifle Calibers. Always prioritize safety and adhere to the best practices outlined in this guide. Thank you for choosing TRIEBEL, and happy reloading!
