# Safety Instruction Guide for FRANKFORD ARSENAL Bench Top Powder Measure with Stand

## Introduction

Thank you for purchasing the FRANKFORD ARSENAL Bench Top Powder Measure with Stand. This product is designed to provide a reliable and accurate way to measure powder for reloading ammunition. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the manual.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for any signs of damage or wear before use.
- Use the product in a wellventilated area to avoid inhalation of any powder particles.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards such as:
  - Powder spills which can create slip hazards.
  - Inhalation of fine powder particles.
  - Mechanical pinch points when adjusting the product.
- **Protective Gear:** Wear appropriate safety gear, including:
  - Safety glasses to protect your eyes from dust.
  - A dust mask to prevent inhalation of fine particles.
  - Gloves to protect your hands from powder residues.
- **Work Area Safety:** Maintain a clean and organized workspace:
  - Keep the area free of clutter to prevent accidents.
  - Ensure that all tools and materials are stored properly when not in use.

## Instructions for Installation and Usage

### Installation

1. **Unboxing:** Carefully remove the powder measure and stand from the packaging.
2. **Inspection:** Check for any visible damage. If you find any issues, do not use the product.
3. **Placement:**
  - Choose a stable, flat surface for installation.
  - Ensure that the area is welllit and ventilated.
4. **Assembly:**
  - Attach the powder measure to the stand according to the manufacturer's instructions.
  - Ensure all connections are secure.

### Usage

1. **Preparation:**
  - Ensure that the powder measure is clean and free of any previous powder residues.
  - Adjust the drum to the desired dispense setting.
2. **Measuring Powder:**
  - Place the container under the dispensing spout.
  - Operate the measure smoothly to dispense the powder.
  - Avoid overfilling the container and clean any spills immediately.

### 3. PostUse Care:

- After use, clean the powder measure to remove any residual powder.
- Store the product in a dry, safe place away from children.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- For the powder measure, if it becomes unusable, check with local waste management authorities for proper disposal methods.
- Do not dispose of powder residues in regular trash; follow local guidelines for hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the FRANKFORD ARSENAL Bench Top Powder Measure with Stand, please refer to the manufacturer's official website or customer service resources.
