

COMP MUZZLE BRAKE - 4 PORT - GRN - MDT - Comp Muzzle Brake - 4 Port - .308 - 5/8-24 - GRN

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The MDT [COMP BRAKE] was designed from the ground up by our sponsored shooter teams requirements, high tech mach flow gas simulations and countless hours of testing. This muzzle brake is the most effective brake currently available that also provides the least concussion to the shooter and spotter, by redirecting gas flow, allowing you to watch bullet flight and monitor hits and misses on target.

Features

- 4 ports, strategically cut at varying angles to maximize recoil reduction as well as minimizing shooter concussion
- Forward facing "disruptor" ports to better deflect gas away from the shooter
- Tuneable upwards vented ports that can be open or closed with a slider mechanism for straighter rifle tracking
- Serrated baffle tips to for improved gas flow and lower sound generation
- Caliber specific bores for calibers ranging from .224-.338 cal
- Multiple thread sizes available for each caliber configuration
- Optimized for commonly available PRS calibers such as the 6BR, 6mm Creedmoor and 6x47 Lapua (as well as their variants)
- Recessed target crown to reduce exit muzzle disturbance and protect secondary crown from damage
- Purpose designed, self timing lock nut that reduces run-out, increases holding strength and is designed for use with MTU contour muzzles

Safety Instruction Guide for MDT Comp Muzzle Brake 4 Port GRN

Introduction

Thank you for choosing the MDT Comp Muzzle Brake 4 Port GRN. This product is designed to enhance your shooting experience by reducing recoil and minimizing shooter concussion. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the muzzle brake.

General Safety Guidelines

- Ensure that the muzzle brake is compatible with your firearm's caliber and threading before installation.
- Always wear appropriate eye and ear protection when using firearms equipped with a muzzle brake.
- Keep the muzzle brake clean and free from obstructions to maintain optimal performance.
- Store the muzzle brake in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for signs of wear or damage before each use.

Specific Safety Precautions for Use

- Do not exceed the recommended caliber specifications when using the muzzle brake.
- Ensure that the muzzle brake is properly installed before firing the firearm.
- Avoid using the muzzle brake in adverse weather conditions that may affect visibility or control.
- Be aware of your surroundings and ensure that the shooting area is clear of bystanders.
- If you experience any unusual noise or recoil while using the muzzle brake, cease use immediately and inspect the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device from the firearm.
- Clean the muzzle threads of the firearm to ensure proper fit.
- Align the muzzle brake with the threads and handtighten it onto the muzzle.
- Use a wrench to securely tighten the muzzle brake, ensuring it is properly aligned.
- Check for any movement or looseness before proceeding to use the firearm.

2. Usage:

- Before shooting, ensure that all safety equipment is in place.
- Fire the firearm in a controlled environment, maintaining a firm grip and proper stance.
- Monitor the performance of the muzzle brake during use; if any issues arise, stop using the product immediately.
- After use, clean the muzzle brake according to the manufacturer's instructions to maintain its performance.

Disposal Instructions

- When the muzzle brake reaches the end of its useful life, dispose of it in accordance with local regulations regarding metal waste.
- Do not dispose of the muzzle brake in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT Comp Muzzle Brake, please refer to the contact information provided with your product packaging or visit the manufacturer's website for further assistance.

By following these guidelines, you can ensure a safe and effective experience with your MDT Comp Muzzle Brake 4 Port GRN. Always prioritize safety and compliance with local laws and regulations regarding firearms and accessories.
