

# Claymore Target Thrower

[Shooting Accessories](#) > [Targets & Accessories](#) > [Throwers](#)

The Caldwell Claymore provides all the benefits of an electric clay thrower without having to tote a heavy battery around. The easy to cock, foot-operated manual device can throw clays out to 55-70 yards and can hold 50 clays in the target magazine. It features a standard mode and a flurry mode which allows for a continuous step and throw sequence, launching clays as fast as you can step on the pedal. To expand on the versatility of the Caldwell Claymore, it also features adjustable launch angles to provide multiple different shots for the shooter. The Claymore only weighs 35 lbs and is collapsible for easy storage and transport. Get out and shatter some clays either by yourself or with some friends with the Caldwell Claymore!

# Caldwell Claymore Target Thrower Safety Instructions

## Introduction

Thank you for choosing the Caldwell Claymore Target Thrower. This manual provides important safety information and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before operating the target thrower.

## General Safety Guidelines

- Ensure that all users are familiar with the safety guidelines and operating procedures outlined in this manual.
- Always supervise the use of the target thrower, especially when children or inexperienced users are present.
- Regularly inspect the target thrower for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding the use of target throwers and shooting sports.
- Always use the target thrower in a safe and designated shooting area, away from people, animals, and property.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
  - Always wear appropriate eye protection when using the target thrower.
  - Consider wearing hearing protection, as the device may produce loud noises during operation.
- **Operational Safety:**
  - Only operate the target thrower when it is securely placed on a stable surface.
  - Never place your hands or any other body parts near the throwing mechanism while the device is in operation.
  - Ensure that the target area is clear of obstructions and that all bystanders are at a safe distance.
- **Loading and Unloading:**
  - Always load clays into the target magazine with the device turned off.
  - Do not attempt to retrieve or adjust clays while the target thrower is in operation.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Device:** Carefully remove the Caldwell Claymore Target Thrower from its packaging, ensuring that all components are included.
2. **Setup:**
  - Place the target thrower on a flat, stable surface.
  - Ensure that the target thrower is positioned in the desired direction for launching clays.
3. **Adjust Launch Angle:**
  - Use the adjustable launch angle feature to set the desired angle for shooting clays.

### Usage

1. **Loading Clays:**
  - Open the target magazine and load up to 50 clays.
  - Ensure that the clays are properly seated in the magazine before closing it.
2. **Starting the Device:**
  - Stand behind the target thrower and ensure that the area is clear.
  - Use the foot pedal to operate the thrower.

- For continuous launching, switch to flurry mode by pressing the appropriate setting.

### 3. Stopping the Device:

- Release the foot pedal to stop the throwing action.
- Always allow the device to come to a complete stop before approaching it.

## Disposal Instructions

- When the Caldwell Claymore Target Thrower reaches the end of its life cycle, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell Claymore Target Thrower. Always prioritize safety and responsible usage for yourself and others. Thank you for your attention to these important guidelines.
