Caldwell Max Grip Sling Safety Instructions

Introduction

Thank you for choosing the Caldwell Max Grip Sling (FDE). This adjustable sling is designed to provide comfort and security while using your firearm. It is essential to follow these safety instructions to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Always handle your firearm with care and follow all safety protocols.
- Ensure that the sling is properly attached to your firearm before use.
- Regularly inspect the sling for wear and tear, including the quick detach metal sling swivels.
- Do not exceed the weight limit of the sling as specified by the manufacturer.
- Keep the sling away from children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the sling is adjusted to fit securely between 20" and 41" for optimal performance.
- Use the sling only for its intended purpose; do not modify or misuse it.
- Avoid placing the sling in areas where it may be exposed to extreme temperatures, moisture, or chemicals.
- When detaching the sling, ensure that the firearm is unloaded and pointed in a safe direction.
- Be aware of your surroundings and ensure that the firearm is secure when moving through rough terrain.

Instructions for Installation and Usage

1. Installation

- Locate the attachment points on your firearm.
- Attach the quick detach metal sling swivels to the designated points securely.
- Adjust the sling length to your preferred size (20" to 41") by sliding the adjuster.
- Ensure that the sling is not twisted and lies flat against your body.

2. Usage

- When using the sling, ensure that it is properly adjusted to provide support and stability.
- Keep the firearm pointed in a safe direction at all times.
- Use the sling to distribute the weight of the firearm evenly across your body.
- To detach the sling, press the release button on the metal sling swivels while ensuring that the firearm is pointed in a safe direction.

Disposal Instructions

- Dispose of the sling responsibly in accordance with local regulations.
- If the sling is damaged or no longer usable, consider recycling it where facilities are available.
- Do not dispose of the sling in regular household waste if it contains metal components.

Contact Information for Further Support

For any inquiries regarding safety or product information, please contact the manufacturer or visit their official website.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell Max Grip Sling. Thank you for your attention to safety.
