

# Toolhead for Dillon Super 1050 / RL1100 Quick Change Bushing System

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

This toolhead for Dillon Super 1050 is a real game-changer. It is a drop-in upgrade for the original toolhead with great new features.

## Change any die in seconds

A completely redesigned toolhead allows quick die change by using toolless Hornady Lock-N-Load Bushing system. Installation is simple and one-time job. LNL bushings (male) are sold separately.

NO IMAGE  
AVAILABLE

## Integrated LED light

See clearly what's going on in your workspace. LED lights are bright, kind to eyes and energy efficient.

## High Precision

The toolhead is precision machined from an aircraft-grade high-strength aluminium to ensure perfect alignment and repeatability.

## Simplified Shellplate Lock Ring

New, improved Shellplate Lock Ring now needs only one thread-locker instead of 4.

## Update!

## Additional Die Space

Now you have one extra general-purpose space for a die on station #4. Depending on your setup, you can use it for expander, FL resizer, trimmer or any other standard die.

## Stiffer, more rigid construction

The toolhead body is now beefier and structurally stiffer.

## 2 ratchets included

Now both ratchets, for Super 1050 and RL 1100 are supplied with the assembly.

# Safety Instruction Guide for ARMANOV Toolhead for Dillon Super 1050 / RL1100 Quick Change Bushing System

## Introduction

Thank you for choosing the ARMANOV Toolhead for Dillon Super 1050 / RL1100 Quick Change Bushing System. This product is designed to enhance your reloading experience with improved efficiency and safety. Please read this safety instruction guide carefully to ensure safe and effective use of the toolhead.

## General Safety Guidelines

- Ensure that all components are in good condition before use.
- Always follow the manufacturer's instructions when using the toolhead.
- Keep the toolhead out of reach of children and vulnerable individuals.
- Regularly inspect the toolhead for any signs of wear or damage.
- Use the toolhead only for its intended purpose as described in the product manual.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation can lead to malfunction or injury.
  - Sharp edges on the toolhead may cause cuts.
  - Misalignment of dies can result in improper ammunition loading.
- **Avoiding Hazards:**
  - Always doublecheck the installation of dies before use.
  - Use protective gloves when handling the toolhead.
  - Ensure that the workspace is clean and free from obstructions.
  - Do not exceed the recommended load limits for your equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is turned off and unplugged.
- Remove the existing toolhead from the Dillon Super 1050 / RL1100.
- Align the ARMANOV toolhead with the press and insert it into place.
- Secure the toolhead using the provided locking mechanism.
- Install the dies using the Hornady LockNLoad Bushing system for quick changes.
- Ensure that the LED light is functioning properly for optimal visibility.

### 2. Usage:

- Before starting, check that all components are secure and aligned.
- Use the toolhead in a welllit area to avoid accidents.
- Follow the specific die instructions for loading and unloading ammunition.
- Regularly check for any signs of wear during operation.
- If any issues arise, stop using the toolhead immediately and inspect for problems.

## **Disposal Instructions**

- Dispose of the toolhead in accordance with local regulations.
- Do not dispose of the toolhead in regular household waste.
- Contact local recycling centers for proper disposal methods for aluminum and other materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the ARMANOV Toolhead for Dillon Super 1050 / RL1100 Quick Change Bushing System, please refer to the manufacturer's website or contact your retailer for support.

Thank you for your attention to these safety guidelines. Your safety is our priority.
