

Clickable Dillon Precision Powder Thrower Knob Assembly - 50 clicks - Small

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

So easy to install Armanov Clickable Dillon Precision Powder Thrower Adjustment Knob!

Just screw the assembly on the dillon factory adjustment bolt.
The Dillon factory screw requires a wrench when adjusting the amount of powder to dispense in your powder thrower.

Armanov Clickable Dillon Precision Powder Thrower Adjustment Knob easily allows the user to hand adjust the powder dispenser without the need for tools.

Unlike other competitors, Armanov button is laser cut with 50 gradations. It's giving the user reference points when adjusting.

Two steel spring loaded balls generates smooth and repetable clicks. Easy to setup between multiple loads or even calibres, very precise 50 clicks per turn. Testing on pistol powders one click increments about 0.015 grains. This is very precise setting.

Works on Dillon 1050, 650, 750, 550, SDB and 900 presses

This accessory is a must for every Dillon owner help speed up powder adjustment amounts and quick change between multiple loads or even multiple calibers.

No disassembly or even original bolt movement required. You keep current powder setting.

From aircraft grade aluminum - anodized black color.

- 1 x laser etched knob assembly
- 1 x allen wrench
- **NO POWDER BAR OR POWDER THROWER INCLUDED**

Safety Instruction Guide for ARMANOV Clickable Dillon Precision Powder Thrower Knob Assembly

Introduction

Thank you for choosing the ARMANOV Clickable Dillon Precision Powder Thrower Knob Assembly. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the product only with Dillon presses (models 1050, 650, 750, 550, SDB, and 900) as specified.
- Avoid using excessive force when adjusting the knob to prevent damage.
- Ensure that the knob is securely attached to the adjustment bolt before use.
- Do not attempt to disassemble the product beyond what is described in this guide.
- Handle the knob with care to avoid injury from sharp edges or moving parts.

Instructions for Installation and Usage

1. Installation

- Remove the existing adjustment knob from your Dillon press.
- Take the ARMANOV Clickable Dillon Precision Powder Thrower Knob Assembly and align it with the factory adjustment bolt.
- Screw the assembly onto the adjustment bolt by hand until secure. Do not use tools at this stage.
- Ensure that the knob is properly seated and does not wobble.

2. Usage

- To adjust the powder thrower, simply turn the knob clockwise or counterclockwise.
- Each click of the knob corresponds to a precise adjustment of approximately 0.015 grains.
- For precise settings, refer to the 50 gradations marked on the knob.
- Make adjustments as needed based on the type of powder and load requirements.

3. PostUse

- After use, ensure the knob is in a safe position and not protruding or exposed to accidental adjustments.
- Store the product in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum materials.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the ARMANOV Clickable Dillon Precision Powder Thrower Knob Assembly, please refer to the contact information provided by your retailer or manufacturer. Ensure you have your product details ready for any inquiries.

By following these guidelines, you can ensure that your ARMANOV Clickable Dillon Precision Powder Thrower Knob Assembly is used safely and effectively. Thank you for your attention to these important safety instructions.
