

Clickable Dillon Precision Powder Thrower Knob Assembly - 50 clicks - Large

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

So easy to install Armanov Clickable Dillon Precision Powder Thrower Adjustment Knob!

Just screw the assembly on the dillon factory adjustment bolt.
The Dillon factory screw requires a wrench when adjusting the amount of powder to dispense in your powder thrower.

Armanov Clickable Dillon Precision Powder Thrower Adjustment Knob easily allows the user to hand adjust the powder dispenser without the need for tools.

Unlike other competitors, Armanov button is laser cut with 50 gradations. It's giving the user reference points when adjusting.

Two steel spring loaded balls generates smooth and repetable clicks. Easy to setup between multiple loads or even calibres, very precise 50 clicks per turn. Testing on pistol powders one click increments about 0.015 grains. This is very precise setting.

Works on Dillon 1050, 650, 750, 550, SDB and 900 presses

This accessory is a must for every Dillon owner help speed up powder adjustment amounts and quick change between multiple loads or even multiple calibers.

No disassembly or even original bolt movement required. You keep current powder setting.

From aircraft grade aluminum - anodized black color.

- 1 x laser etched knob assembly
- 1 x allen wrench
- **NO POWDER BAR OR POWDER THROWER INCLUDED**

Safety Instruction Guide for ARMANOV Clickable Dillon Precision Powder Thrower Knob Assembly

Introduction

Thank you for choosing the ARMANOV Clickable Dillon Precision Powder Thrower Knob Assembly. This product is designed to enhance your reloading experience by providing precise adjustments for your powder thrower. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all safety instructions. This product is intended for use with Dillon reloading presses only.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Safety:** Always wear safety glasses when working with reloading equipment to protect your eyes.
- **Work Environment:** Use the product in a wellventilated area, free from distractions and hazards.
- **Tool Use:** Avoid using excessive force when adjusting the knob to prevent damage.
- **Inspection:** Regularly inspect the knob assembly for any signs of wear or damage before use.
- **Proper Handling:** Handle the knob assembly carefully to prevent dropping or damaging it.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Dillon press is turned off and unplugged before installation.
- Locate the factory adjustment bolt on your Dillon press.
- Align the Armanov Clickable Dillon Precision Powder Thrower Knob Assembly with the factory adjustment bolt.
- Screw the knob assembly onto the adjustment bolt by hand. Ensure it is secure but do not overtighten.

2. Usage:

- To adjust the powder thrower, simply turn the knob. Each click represents a precise adjustment.
- For finetuning, turn the knob slowly and listen for the clicks. One click generally adjusts the powder by approximately 0.015 grains.
- When switching between different loads or calibers, use the knob to easily adjust the powder amount without needing tools.

3. Maintenance:

- Keep the knob clean and free from debris.
- Store the product in a dry place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and aluminum products.
- Do not dispose of in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the ARMANOV Clickable Dillon Precision Powder Thrower Knob Assembly, please refer to the contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy safe and effective reloading!
