# Safety Instruction Guide for ARMANOV Quick Disconnect for Dillon Powder Measure

## Introduction

Thank you for choosing the ARMANOV Quick Disconnect for Dillon Powder Measure. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to minimize risks.
- Always inspect the product for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in the product specifications.
- If you experience any issues or have concerns regarding the product, do not hesitate to seek assistance.

## Specific Safety Precautions for Use

- Ensure that the powder measure is securely attached before use to prevent accidental disconnection.
- Avoid using excessive force when installing or removing the Quick Disconnect to prevent damage.
- Do not modify the product in any way, as this may compromise safety and functionality.
- Always wear appropriate safety gear, such as safety glasses, when handling powders and reloading equipment.
- Be aware of your surroundings and ensure that you are working in a safe and wellventilated area.

## Instructions for Installation and Usage

### 1. Installation of the ARMANOV Quick Disconnect:

- Remove the original halfring retention from the Dillon Powder Measure.
- Align the ARMANOV Quick Disconnect with the mounting points on the powder measure.
- Securely attach the Quick Disconnect, ensuring that it is properly seated and locked in place.
- Check that the Quick Disconnect is firmly attached before proceeding.

### 2. Using the ARMANOV Quick Disconnect:

- To change the powder bar, gently pull the Quick Disconnect to release it from the toolhead.
- Replace the powder bar with the desired one and reattach the Quick Disconnect by aligning it with the mounting points.
- Ensure that the Quick Disconnect is securely locked in place before use.
- Adjust the powder quantity using the Clickable Armanov powder knob for precise measurements.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the ARMANOV Quick Disconnect for Dillon Powder Measure, please

refer to the manufacturer's website or the retailer from which you purchased the product.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with the ARMANOV Quick Disconnect for Dillon Powder Measure. Always prioritize safety and seek assistance if needed. Thank you for your attention to these important guidelines.
